Freedom of expression

The Fake Friend

You are pretending to be nice to the victim, but you want to be with the 'cool kids'. So you adapt to the group by gossiping about the kid who is bullied.

Freedom of expression

The Victim

You are new at that school and a really smart student. You are always very quite, shy and sensitive.

Freedom of expression

The Popular Kid

You are very selfish and commanding. You behave like the boss of the group. You trigger the bullying activities.

Freedom of expression

The Brave One

You are usually a quiet person and do not participate in bullying activities. You are the one to defend the victim and stand up against the majority.
