2nd Primary School Orchomenos Greece

Our country

Greece is in Southern Europe. Borders with Turkey, North Macedonia, Bulgaria and Albania

We are situated in Central Greece, Sterea Ellada

Our state

We are situated in Viotia State.

The capital of Viotia is Livadeia

Our town

We live in Orchomenos, a small city with almost 5000 residents. Orchomenos is situated 18 kilometers from Livadeia, the capital of Viotia

Orchomenos

Orchomenos is built in a plain location, on the north side of the plain of Kopaida. It flows from the Black River (Mavropotamos) which is a tributary of the Boeotian Kifissos.

The main activity of the inhabitants of Orchomenos is agriculture.

Our school

We have 10 classes in our school

History of our school

The 2nd Primary School of Orchomenos was founded in 1946 and its first principal was *Panagiotis Christodoulou* (according to the school's files).

In 1992 it acquired 12 teaching posts and at the same date its new cluster of buildings was inaugurated having *John Thiakoulis* as its new headmaster. This cluster of buildings has got 15 classrooms, a chemistry laboratory, a computer laboratory, a classroom where cultural activities take place and a basketball court.

A great number of sports events, environmental activities and theatrical performances take place in our school.

Our Library

Our computer lab

Our second computer lab with raspberry pi

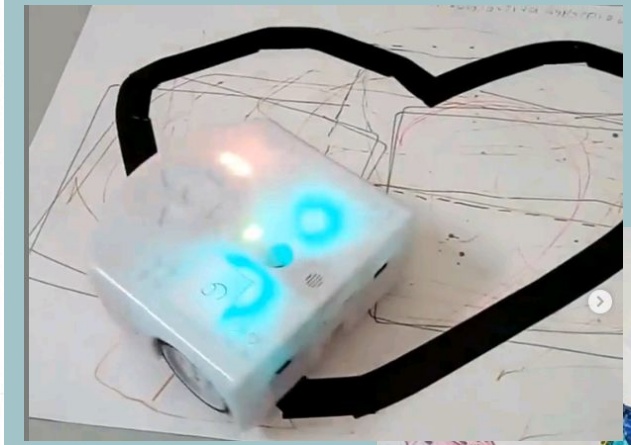
Our school

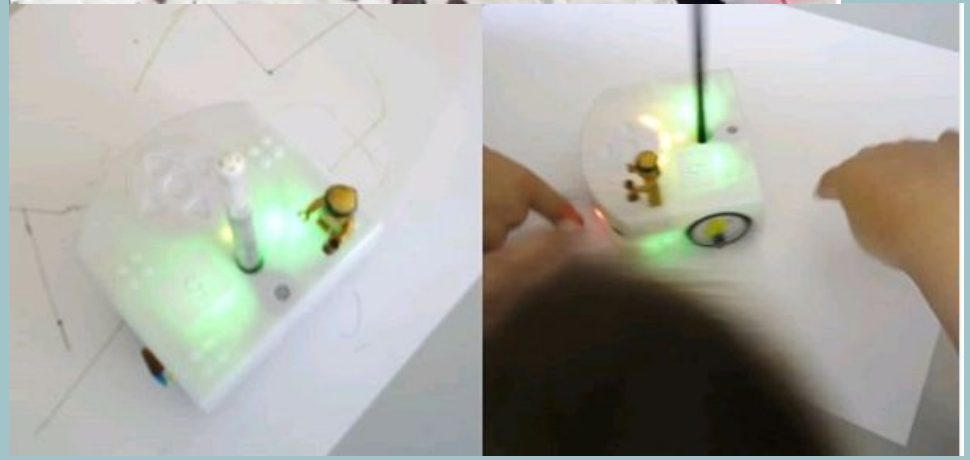
Our teachers creations

6th grade students program their Thymio to avoid one another

1st grade students draw by driving their thymio

Activities with Thymio

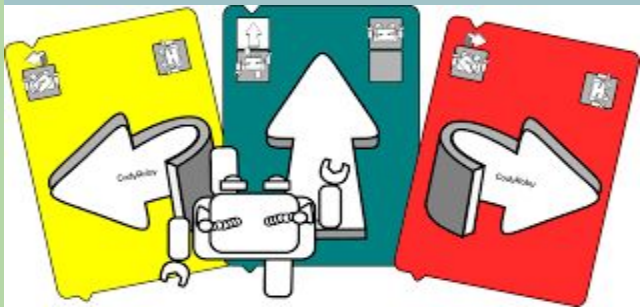




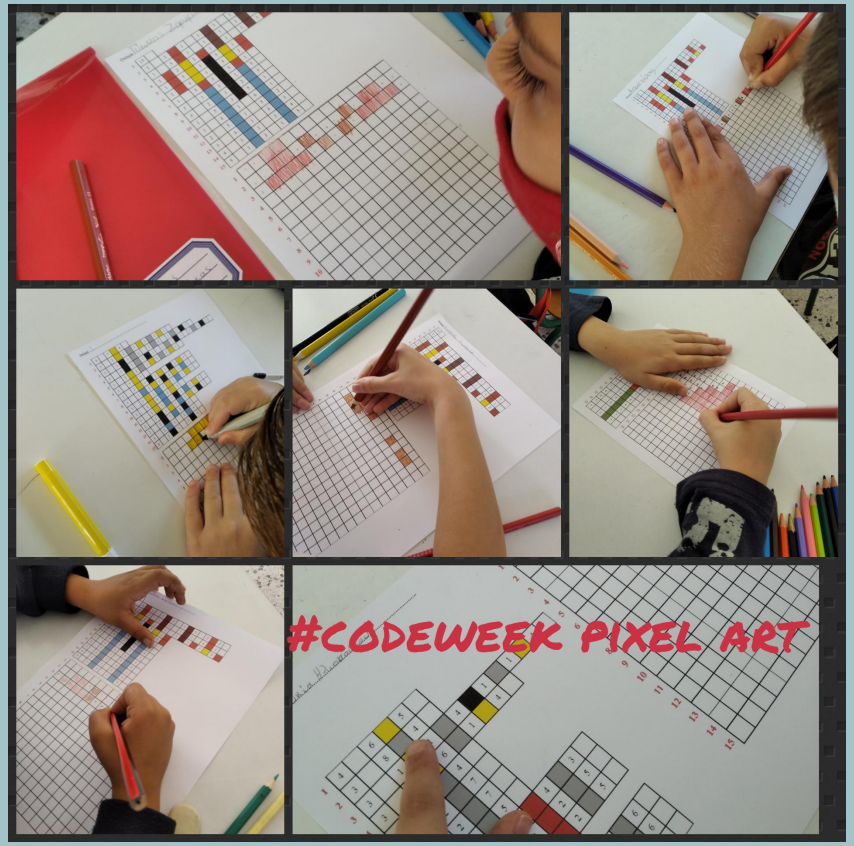
Create your images, write the code and give it to your friend. Will he discover the hidden image?

Play a game with cards with your classmates or by yourself. Win the race or fill the grid.

Express yourself by creating an animated message on scratch. Use your imagination or explore other creations



Code Week Activities



Visiting the Parliament of Greece in Athens

Visiting museums

ΕΚΔΡΟΜΗ ΣΤΑ ΜΟΥΣΕΙΑ ΔΕΛΦΩΝ & ΓΑΛΑΞΙΔΙΟΥ ΑΠΟ ΤΙΣ
Ε1,Ε2 & ΣΤ' ΤΑΞΕΙΣ (16-4-2019)

Traffic education program

Planting trees and flowers with our teachers
