the greatest landmarks of this picturesque city.

A CHARMING PLACE

A GUIDE TO VISIT OUR CITY LOCATED IN THE SOUTH OF SPAIN

A brief background check

ITS FOUNDATION

Huelva is known for being the starter point of Christopher Colombus and its historical discovery of America.

THE CITY

It's located in the south of Spain, It's part of Andalucia.
Huelva has become famous for its gastronomy like the strawberries of Palos or their prawns.
Furthermore, their eye-catching landscapes such as "El Conquero" Will make you never wanna leave!

Places to visit

MORET PARK

Parque Moret is the ideal place to have a picnic n the soft grass with your friends or have a meal at the park's grill restaurant (you must try the spicy Spanish "chorizo" sausage!). Huelva also encourages an active skater scene, so you should try their famous skate park.

RIOTINTO MINES

Built between 1874 and 1876 to able the load in the port of Huelva the ore extracted from the Riotinto Mines . RIio Tinto is located at the southwestern end of the city, south of the Levante Pier, with a total of 1165 meters in length partly on the Odiel River (about 500 meters) and part on land.

PUNTA UMBRÍA

Ever wanted to see one of the best beaches in Spain? Punta Umbría is your best option. It's a 15 minute drive from the capital. Swim away your problems!
