

A lush green forest with a waterfall in the background. The scene is filled with dense vegetation, including ferns and moss-covered rocks. The waterfall is visible in the lower right quadrant, cascading over rocks. The overall atmosphere is serene and mysterious.

Spanish mysterious forest

Nayara Estevez Encarnacion 2°A

A dense forest with moss-covered tree trunks and branches, likely a subtropical forest in the Canary Islands. The scene is filled with green foliage and thick, dark tree trunks, some of which are heavily covered in bright green moss. The lighting is soft, suggesting a shaded forest environment.

**Where this forest
is located?**

**It is a type of subtropical
forest in some of Canary
Islands.**
