

## Groupe 1 : Guiseppe Mileti

Guiseppe has brown hair and has glasses.

He was born on 22 march in 1996.

He live in Torrenova, it's a small village of provence en missina.

His hobbies are electronics, he like buing and exchanging last smartphone's models.

His favourite subject is "engineering".

Really this subject doesn't exist in his school, the real name is "Progettazione, Costruzioni e Impianti", it concern the basics of engineering such as buildings projects, building materials and so on.

His favorite color is red and his favorite number is number three.

To finish he is very kind with girls.
