### Treasure hunt

You have choice between two riddles, you can choose one that you want.  
Good luck !

#### Choice 1

When you leave the parc of castle of Versailles, by alley st Antoine (near the north-est of parc), take the Departemental D186 on the left ( longitude 2° 06'55.6"E, latitude 48° 49'11.4"N) keep going during 2,92 miles.

Carry on 921,92 feet to a door wich give onto a parc. Cross over the door, there are 4 road. Take the left road this a circular space. Take the path on the right named « Route de la grille Royale » and you will arrive in 491m.

Take us géographical coordinates and the name of the place.

#### Choice 2

We are going to leave the point of leveling P.B.K3-124a, situated on the « Place des Armes » near the castle of Versailles. Cross the castle up to the Grand Canal.

It's not here !

Take the path Saint Antoine to arrive up to the Hamlet.

It's not here !

Take D186. Move forward during 750m to arrive up to the National museum of Natural History.

It's not here !

Continue on D186 during 4.4km, there is a pond on the right : the pond of Béchevet.

It's not here !

Continue on the same during 1.1km up to a traffic circle. Take last one exit, which leads to the road of « La grille Royale ».

Continue until arrive on a place.

It's here, where are we ?
