

My city comprises a church named Saint Thomas Church.  
It is classified as historic monument the 2 February 1948.

Which town am I ?

The origin of my name come from the latin "buxus" which indicates at the same time the shrub always green and under forms derived as " buxea " and " buxio " ( bush ) bushy botanical species and small sizes. The name of the municipality results comes from the buxiacum Latin, the adversity of buxetum which indicates a standing place of box tree. The mention of the nearby municipality was added only by the bulletin of the laws in 1801. My city name is a name cmade of 4 words.
