

SCHOOL 29 GALATI
ROMANIA

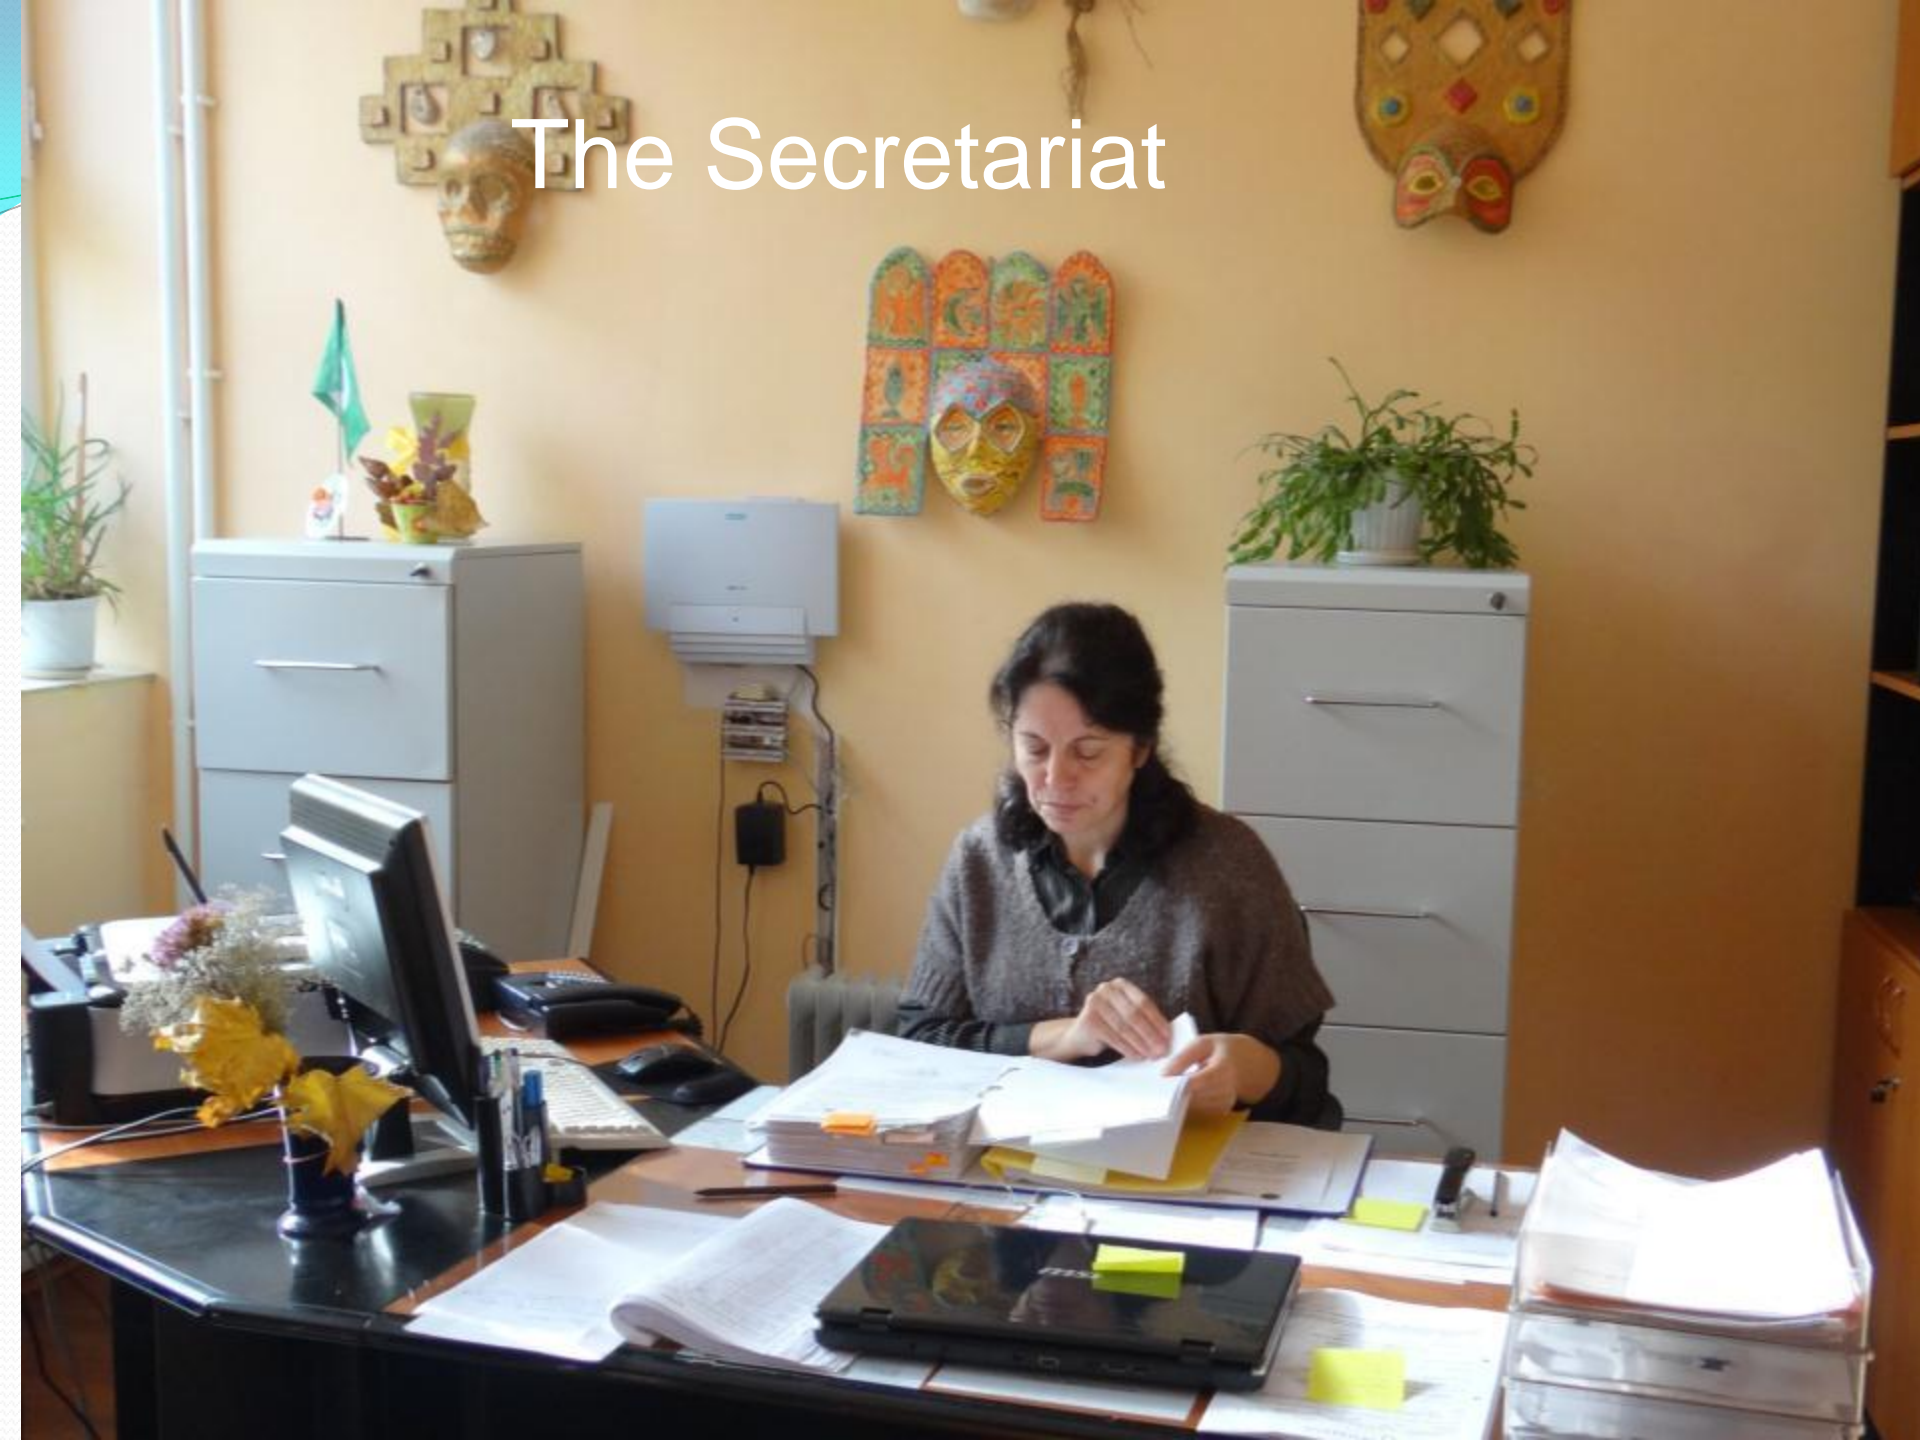

Headmasters:

The Principal: Bălan Rodica

Assistant Principal: Andronic Florin

The Secretariat

Classes:

Elementary school: 24 classes
Secondary school: 19 classes

There are approximately 1200 students in the school.

There are 38 teachers (4 Romanian language, 1 Latin language , 4 maths, 3 physics, 2 history, 1 geography, 1 chimy, 2 biology, 4 English, 2 French, 6 sports, 1 technology, 2 religion, 1 music, 1 drawing, 3 informatics). All of them are amazing people that are good friends to the students. They learn us, first of all, how to be humans.

This school is number one of top 10 schools from our city. The students won a lot of contests and Olympics. Many of our teachers are known in the whole country. It's a school with a good reputation.

It has an Impact group that charity actions.

The Physical Laboratory

The Computer room

The Gym/ The Sports holl

The Library

We take part to the attractively activities.

The lessons proposed by our teacher are attractive and interesting. She combines traditional and modern methods using the latest technology.

Hand-drawn diagrams of a tree trunk and a leaf cross-section.

Nume, Tip, Habitat, Flori, Fructe, Lari

A large display board featuring several cutouts of leaves in various colors (yellow, green, orange, red) and shapes. There are also photographs of trees and a landscape. Handwritten text is scattered across the board, including a list of group members and a title.

Group III:
 Diana, Andreia, Roxana si
 Radu si Alex = membrii
 echipa

ZAMBETE

... din el ...

A display board with a collage of various flowers and a drawing of a girl. To the right, there is a drawing of a red flower with a green stem and leaves. Handwritten text is visible at the top and bottom of the board.

At school we write, we read, calculate, learn how to speak English and draw in Paint.

We take part to the attractively activities and outside.

We love and we protect the nature !
We are little ecologists

CHRISTMAS
