We had to wait a lot.	
rules internship, not a lot of free time for the students	
the rules were too strict, not enough free time for the students	
What did you gain from the project meeting?	
4 válasz	
Interesting country with nice teachers and a fine school. New contact between countries. The culture was very interesting and enlightening.	
That is positive for the students to communicate and have fun with other students with other cultures and languages.	
A personal experience reality to the knowledge of other culture, including that of the host country	
improve my linguistic competence, learning good teaching practice	

Negatives
