

Teachers final evaluation

Twenty six teachers from all the participating countries answered the questions in a final questionnaire

This is the summary of the answers to two multiple choice questions asked to the teachers participating actively in the project.

Has the project been useful for your school?

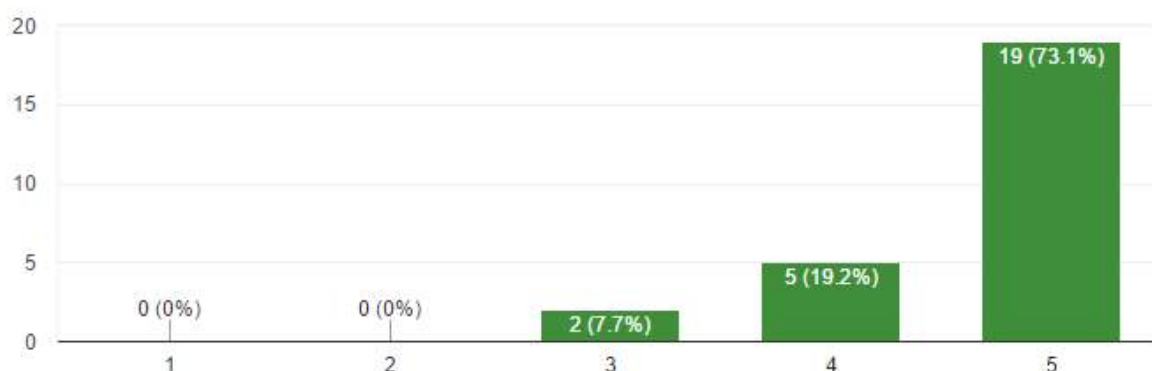

26 responses

We can see that all of them thought that the project had been very useful for their schools

Has the project been useful in your career development?

26 responses

We can also state that the project was useful for the career development of most of the teachers involved in the project.
