I like that the lessons have been a bit more fun and carefree.

I liked all the tasks in the project, they were fun and I enjoyed them. I was a great experience and lots of fun.

I liked working with portugese students because it was interesting and i have never done anything like that before. But sometimes the things we did we a bit boring too.

I really enjoyed this project. All the tasks were very nice.

I like this project because we can also find out what places are available in Portugal and what is more than that in general.

Because it was really fun and all the tasks what we did!

I don't know

I don't like to make presentations.

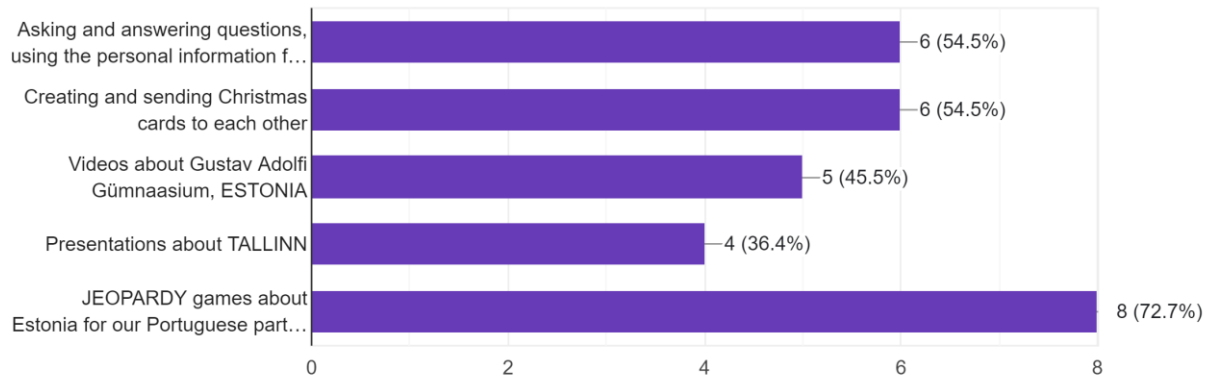

because it fas fun at times

I like talking to other people

it was very cool!

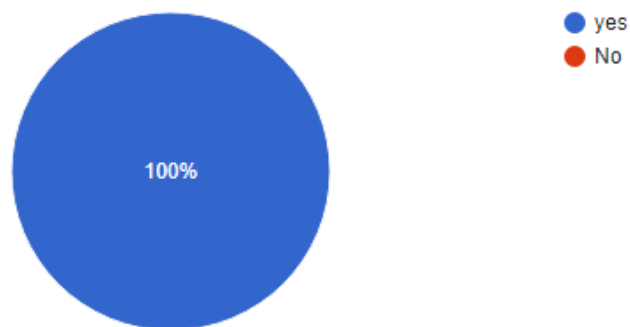

My 3 most favourite activities during the project were:

Your brief comment on the previous question

11 responses

I always work in the lessons, ask questions and do some extra work at home

Well I have participated in every activity and gave it 100% each time.

I was active in everything we did and finished everything on time.

I did everything I had to do in this project.

I've done everything I wanted to do.

I was active but sometime I was just really tired.

I missing when we went to the post office

I was absent when we were making videos.

I mean I didn't do some of the homework

I feel like I could done better

I participated in all activities

I would like to take part in another eTwinning project in the future
