Thinking ALMERIA

Two weeks ago I went to Almeria, a beautiful city in Southern Spain.

I went to Almeria with four teachers and five children. The journey was funny, there was also a heavy air turbulence.

There is a wonderful sea and it is always sunny in Almeria.

I went to school every morning from nine o'clock a.m. to four o'clock p.m.
Our Spanish friends' school is big, it has got three floors and a small garden outside. My host family made me feel very welcome.
I have seen many places in Almeria:

The desert

The castle *Alcazaba*

The old part of the city and the port

The monument of Christ.

I like the Mediterranean shopping centre very much, there are a lot of things to buy.

My favourite Spanish food is ham…

I like Paella and Tortillas too

There are many parks in Almeria.

I cooked pizza and crepes for my Spanish friends.

I went to the " Greenhouse of tomatoes'' with the family that was with me,
Francesca and Carlotta.

We also went to visit the museum of the guitar.

I have spent a wonderful week in Almeria!!!
