

Erasmus+

III Liceum Ogólnokształcące Mistrzostwa Sportowego
im. Z. Herberta Zespołu Szkół nr 3 w Żorach

Our mid-sized school is located in Żory at the Silesian region in southern part of Poland. In Żory there are about 66.000 inhabitants. Their lifestyle is dominated by mining industry that is typical in the Silesian region.

The School is relatively new, because it started up in 1995. At this moment there are working 86 staff members working here, including 65 teachers. The School Complex (Zespół Szkół) no. 3 attend 289 students (ages between 10-19).

We have :

150 high school students,

78 middle school students,

And 65 primary school students.

Our school includes 27 classrooms, modern chemistry lab, library and canteen. There are two gymnasiums, gym, „Orlik" pitch complex, and newly created café and modern sport hall.

In high school we have got three different main profiles :

- Police service and law class,
- Medical and emergency class,

And sports profiles including

- Men's Volleyball
- Basketball
- Baseball
- Softball

Police service and law class

Medical and emergency class

Men's volleyball class (Jastrzębski Węgiel)

In 2015 we created arts class, in which there are 12 students.

Our school implements ICT technology into education process. Our students are learning from hi-tech computers and hardware. School has got modern classrooms equipped with interactive whiteboards with projectors. It is worth mentioning that we have a language lab with listening and „Ivote" vote system. School organises compensatory lessons and many extra-curricular activities. Our students take part in many contests, and their are all passing matura exam with satisfying results.

For many years we have been involved in many international projects.

Our school has got years of experience in being part of programs like Socrates, Erasmus and Erasmus+. In recent years our school has participated in student exchange as part of cooperation between Żory and twin town Kamp-Linfort. Currently we have the opportunity to cooperate thanks to the Erasmus project. We are a rapidly developing school, so we promote pro-European attitude to our students.

Thanks for your time :)
