## WORK EXPERIENCE

**10/08/2019 Casting for football players**

Cascina, Pisa (Italy)

I love playing football and I am quite good at it, in fact a couple of months ago I took part in a selection to become a player of this well known Tuscanian team but although I trusted my abilities, as well as my previous coach, the results were not so good and I was rejected.

**20/06/2013 Selection for a professional football team**

Prato (Italy)

When I was eleven I've been selected by a professional football team named "A.C. Prato" to enter in the society and be part of this professional squad. I didn't feel very well there because I was so far from home, so I continued playing in my city's team.

## EDUCATION AND TRAINING

**10/05/2019 PET Certificate**

Istituto Tecnico Enrico Fermi, Pontedera (Italy)

I tried to do my best this year with English language but I didn't succeed in achieving the expected goals. I was supposed to take the final exam to get the certification but I didn't because I was busy with school homework and other exams.

**05/05/2019 Bad mark in Maths**

Istituto Tecnico Enrico Fermi, Pontedera (Italy)

I am not so good in maths and I am aware of it. This year I have done my best, attending afternoon courses and studying a lot at home. Despite this my marks in the last exam were not sufficient and I felt bad about it, but now I know how to study better this subject and I like it.
