CZECH SCHOOL SYSTEM

KINDERGARTEN

Age: 2 - 6

- 5- 6 compulsory Kindergarten
- Children can go to kindergarten from the age of two, by law parents are obliged to put their child in kindergarten at the latest at the age of five.

PRIMARY SCHOOL

Age: 6 - 15

The first level 6 – 11

The second level 11 - 15

Compulsory schooling, which lasts here for nine years. The primary school is divided into two levels, the first level consists of the first five classes and the second four. After the first grade, schoolchildren can enroll in an eight-year high school.

SECONDARY SCHOOLS

Age: 15 – 18/19

**Vocational
schools**

15 - 18

**Secondary
schools
15 -19**

The grammar school or high school ends with a high school **diploma/after** the school-leaving examination **and an apprenticeship certificate.**

After completing nine years of schooling, pupils can transfer to either a four-year grammar school, various secondary schools or vocational schools, where they learn crafts.

UNIVERSITY/COLLEGE

Age: 19 – 24/25

Students who have successfully passed the school-leaving examination may continue their studies at a university or college
