**1<sup>st</sup> TRANSNATIONAL MEETING – Boxmeer, the Netherlands**  
**Date: September 26th– September 29th 2016**  
**PROGRAMME- Teachers**

**Transnational project meeting** took place in "de Weijerwereld" school in Boxmeer, the Netherlands (26-29 September 2016). It was attended by project coordinators, headteachers and deputy teachers from our partner schools from Italy, Slovenia, Latvia, the Netherlands and Poland. The Dutch teachers prepared the meeting. The Polish school, as a project coordinator, presided this meeting. The main purpose of the meeting was to specify the plan of the project activities for the first year. We worked in an international group and took part in trainings (**eTwinning**(Dutch school), **EuroPass**(Polish school), **Eco-Schools**(Slovene school)). Every partner presented the **educational system** working in their country. We had a chance to admire the work of teachers and pupils in the Dutch school.

## OCTOBER:

- a) A contest for the logo of the “Eco-Active” project.

Two logo designs that have received the most votes of pupils in each school have been sent to the Italian school, which was responsible for conducting the final contest for the logo of the project. The logo designs from every partner school competed to become the official logo of our project.

- b) Wastepaper collection lasts in every school – pupils bring the bills confirming the amount of wastepaper that has been collected;
- c) PTT Presentations put on eTwinning;

d) Developing the schedule of videoconferences 2016-2016 – Latvian school – this schedule can be modified according to the needs of individual schools.
