

On the 4th of october 2017

We disseminate our project, the work we did as partner, the international project meeting in Polen and in Slovenian during the festival “Blue sea –land” in Mazara . Blue sea Land is an international association for a better world. For land and sea. In this contest our project about ecology was perfect.

We organized a stand and we did a preserntation about our project.

Children spoke about the internationale meeting in Polen and in Slovenia.
