1. DETAILED REPORT OF THE PROJECT MEETING IN POLAND 28.05.2017 – 03.06.2017
Short-term exchanges of groups of pupils and Short-term joint staff training events connected with ECO-WEEK

2. The article in a local newspaper “Tygodnik Powiśla” has been published:

Translation of the article:

Erasmus+ in Primary School number 2 in Puławy

Primary School number 2 in Puławy is the coordinator of the project Eco-Active (1.09.2016 – 31.08.2019). The project is realised with other schools from Italy, the Netherlands, Slovenia and Italy. Four thematic areas are the main topics of the project. Last year we focused on resources, all schools collected wastepaper in total of 157 tonnes, our school won the competition and collected 95 tonnes from 1.09.2016 to 31.05.2017. The project is based on the activities connected with teaching, learning and training, as well as exchanges of groups of pupils and teachers.

The first project meeting “Eco-week” took place in Poland (28.05.-3.06.2017). On the 29th of May we had a pleasure to give our guest a warm welcoming in our school. Local authorities, local TV and press were invited and joined us: Mr Paweł Matras – the secretary of the Member of Parliament professor Krzysztof Szulowski, Mrs Ewa Wójcik vice-president of Puławy, Mrs Marzena Klimek – Head of the Department of Education and Sports of Puławy, Mrs Agnieszka Zamojska – Inspector of the Department of Education and Sports of the city Hall Puławy. Eco-fashion show(clothes made of secondary raw materials) appeared to be one of the most appreciated parts of the official welcoming. Moreover, the song performed by the teachers accompanied with the music played by the students was applauded.

Eco-Happening took place on the 1st of June on the school pitch. We hosted Polish teachers from Ukraine, they were given Polish books. The kids had the opportunity to try ecological food: fresh juice, strawberries donated by UZIMEX, cheese and honey from local producers, squeezed juice donated by PHILIPIAK, mineral water donated by “Cisowianka” and “Nałęczowianka”. During the lecture

conducted by the dietician pupils got acquainted with tips concerning healthy eating. Sport competitions were organised. An animator from UZIMEX took care of kindergarteners from the preschool next to our school. The prizes for winning Eco-class and Eco-student were given (a trip for the class and two tablets for two student who collected the most of wastepaper). The precious awards were given for the competitions “Something out of nothing” and “Ekobajarze” (a fairy-tale or a poem about ecology). Students presented ecological games created by them and played together. They also made cleaning robots using secondary raw materials.

During the Eco-Week our foreign guest listened to a lecture in Science and Technology Park in Puławy. The lecture concerned the protection of the environment by Chemical Plant Zakłady Azotowe Puławy. They also watched the process biodegradation of secondary raw materials. The group was also hosted by the Department of Environmental Protection in Puławy where they were acquainted with the actions conducted by the city to protect the environment. During the third day of Eco-week Polish teachers and teachers from abroad conducted lessons about ecology. The teachers as well as students communicate in English, which is the language of the project.

The teachers took part in Europass training conducted by the educator from Polish Europass Centre. Guests visited Nature Park, loess gorges, Science Museum in Kazimierz Dolny. Pupils and teachers took place in an eco-friendly terrain game. Our partners visited eco-Warsaw and Magic Garden and Jura Park in Bałtów where they watched a 5D film entitled: “Life on the Earth started with a drop of water” what was an introduction to the second thematic area of the project – mainly – water.

Erasmus+ w Szkole Podstawowej Nr 2 w Puławach

Szkola Podstawowa nr 2 w Puławach realizuje od 1 września 2016 r. do 31 sierpnia 2019 r. w ramach programu Erasmus+ projekt „Ekoskrywa”, którego jest między innymi koordynatorem. Projekt realizuje wspólnie ze szkołami z Włoch, Szwecji, Holandii i Łotwy. Projekt zakłada realizację czterech bloków tematycznych. Pierwszym realizowanym blokiem był ranking wygrał uczniowie Szkoły Podstawowej Nr 2, którzy w okresie od 1 września 2016 r. do 31 maja 2017 r. zebrali 95 grup uczniów oraz nauczycieli.

Podczas spotkania przedstawiciele „Ekoskrywy” odwiedzili w Puławach w dniach od 24 maja do 3 czerwca 2017 r. i uczestniczyli w wykładzie „Ekoskrywa” w dniu 29 maja 2017 r.

W wykładzie „Ekoskrywa” wzięli udział przedstawiciele: sekretarz Biura Podstawowego Państwa i Inicjatyw Europejskich K. Szlachetnicki, Pan Paweł Matraszek, Pan Ewa Wojtek, Wiceprezydent Miasta Puławy, Pani Marcela Kluska, Kierownik Wydziału Edukacji i Sportu i Pani Agnieszka Zamajaska, inspektor Wydziału Edukacji i Sportu. W ramach wykładu przedstawiciele zapoznali się z projektem „Ekoskrywa” i omówili wytyczne z umówionej współpracy oraz pomysł w wykonaniu nauczycieli przy otwieraniu swoich szkół na projekty międzynarodowe i konkursy.

1 czerwca w czasie trwania „Ekoskrywy” na obiekcie sportowym odbył się konkurs ekologiczny „Ekoskrywa”. Gościem na tym konkursie byli również nauczyciele polscy z Łotwy, którzy wzięli udział w obywatelskim przedsięwzięciu do gryba polskiego i kłosa. Dzieci i młodzież próbowały ekologicznie produkować i sprzedawać wódkę ekologiczną. W czasie „Ekoskrywy” zaproszono gości z szwajcarskiej szkoły w Puławach Panią Nazkowską, technologicznie w postaci matrycy i schematu wykonania przez Zofię Anny Puławy, objeżdżając wiodące atrakcje terenowe puławskich „Ekoskrywy”. Były również goście Wydziału Okręgowego Szkolnictwa Ujędło Miasta Puławy, gdzie zapoznali się z wieloletnim doświadczeniem w dziedzinie nauczania i kształcenia. W ramach dnia „Ekoskrywa” polscy i szwajcarscy nauczyciele prowadzili w międzynarodowych grupach warsztaty i konkursy ekologiczne. Należy dodać, że projektem „Ekoskrywa” jest projekt i koncepcja realizacja się w tym zakresie. Nauczyciele ze wszystkich szkół partnerów uczestniczą w szkoleniu Erasmus prowadzonym przez sekretariata Polskiego Centralnego Biura.

Gościem w dniach 29-30 maja w Puławach, w tym Wąwozie Łososie oraz obywatelski obywateli w Muzeum Przyrodniczym w Karczmach Dobrych. Uczniowie i nauczyciele wzięli udział w ekologicznej grze terenowej. Nasz partnerzy z wydziału „Ekoskrywa” w Warszawie oraz Magdalena Opysz i Park Jaskółki w Białym, gdzie odbył się film w SD. Jak pokazano w filmie na Złoty i kłosa wody, od były odpowiedzialne do drugiego dnia konkursowego naszego projektu „Ekoskrywa”.
