

The window display shows jewellery for Valentine's Day, the decoration as we see in the image has two hearts

This window display is composed by a word split in half that says LOVE and with a red tone being like that of Sant Valentin and accompanied with jewelry and bags accessories

The window displays were composed by very decorated hearts. This year coincides with the celebration of the Chinese New

As we can see in the image, the sideboard is made up of leather purses and a fine point pencil, and since it is Sant Valentin, it has a heart with image, accompanied by a phrase that says for an unforgettable Sant Valentin
