Program for the Learning –Teaching-Training activity in Athens “Be the change”

Sunday 11-3-2017

Arrival of all groups at different times.

Settling students at guest houses and teachers at hotels.

Monday 12-3-2017

8:30→Arrival at school.

8:45–9:30→Welcome and tour of the school premises guided by Greek students.

9:30-10:55→Presentation (10 min max per group) of the work that has been done by each partner school and the results of the researches on the causes and effects of the environmental crisis. Students will speak about their experiences gained, through working on the project.

10:55-11:15→ Break for branch (Provided by our school).

11:15-13:30→Visit the Aluminum Recycle Centre. We will be able to participate in the recycling process by recycling cans that we will have collected and brought with us.

14:15→Pic-nic at the shelter of Mt Parnitha.

14:30-18:00→Hiking at Mt. Parnitha which is the closest mountain to Athens. The National Park of Mt.Parnitha hides many secrets that few people know. So close to the city of Athens. 42 different species of mammals find refuge, among them deer and foxes. There are also many kinds of birds! In order to come closer to wild life and nature the students will be able to participate in games conducted by specialized instructors.

19:00→Return back to school. Students back to guest houses.

Tuesday 13-3-2017

8:30 Arrival at school.

8:45-10:15→Students and teachers will be split in two working groups. One group will participate in a Philosophical dialogue about Responsibility. The other group will participate in a workshop about “the importance of ICT in controlling the climate change” by trained students. The same will be repeated after the break so that everybody participates in everything.

10:15-10:45→ Break for branch. (Provided by our school).

10:45-12:00→ Philosophical dialogue about responsibility and workshop about climate change.

12:00→ Depart for the [National Park of Schinias](#)

13:15→ Arrival at Schinias. Pic-nic (provided by the host families) .

13:35-16:00→Tour around the park, participating in a clean beach activity aiming at building awareness of the problems that are caused by garbage left on the beaches and implement activities to alter the population and tourists' behavior so that they do not throw waste on the beach.

17:00→ Return back to school. Students back to guest houses.

17:00→Teachers' meeting to discuss the implementation of the program, the communication, and evaluate our progress so far.

Wednesday 14-3-2017

08:15→ Arrival at school.

08:30 →Departure to visit the "[Botanical Garden Diomedes](#)". There will be a tour of the cultivated part of the garden and after that the students will participate in educational forest recreation games.

11:00-11:30→ Pic-nic at the park (provided by the host families).

12:00→ Return back to school.

12:00-14:15→

- Teachers: meeting to discuss the implementation of the program so far.
- Students: will experience the destructive consequences of a fire in the forest by participating in a roleplaying activity instructed by a director-musician.

14:15- 16:00→ Break for lunch. Students will have lunch at the host families. Teachers will have lunch at a traditional Greek tavern (Our school's treat).

16:00-18:00→ The students will perform the roleplaying activity they worked on to the partners, teachers and students of the school.

18:00→ Students back to guest houses.

Thursday 15-3-2017

07:30→ Early arrival at school and departure for Metochi, a seaside village, where we will take a seabus(ferry boat) to the island of Hydra (at 10:00).

10:30→ Arrival at Hydra island, welcome by students of Gymnasium of Hydra.

11:00-11:30→ Visit the "Lazaros Kountouriotis" Historical Mansion, an annex of the National Historical Museum.

11:30-13:30→ Climbing at Mt Eros for the magnificent view of Aegean sea.

13:30→ Break for lunch.

15:00→ Walk around the city of Hydra. Free time tour of Hydra town. The stone built houses of Hydra preserve many of the local elements while some of them looking like fortresses. Most of them have high ceilings, large rooms, wonderful frescoes and marble floors. The urban houses of Hydra island are surrounded by beautiful small yards and flourishing gardens. The locals used grey stone in order to build their houses. The gray stone, which abounds in Hydra, the wood and a clay-colored mortar, are the main building materials of these houses. The fact that no cars are allowed in the island, makes Hydra even more peaceful and unique.

17:00 Depart from Hydra to Metochi by sea bus (ferryboat) and then to Athens, Ilion.

20:30 Return back to school. Students back to guest houses.

Friday 16-3-2017

08:15→ Arrival at school.

08:45→ Visit the Acropolis Museum (guided tour).

11:30→ Visit the Parthenon on the Acropolis sacred rock.

12:30→ Small lunch at a restaurant.

13:30→ A stroll around Monastiraki and Plaka (the historical centre of Athens).

15:00→ Return back to School. Students at guest houses.

20:00→ Meeting at school for the closing ceremony of the week and a farewell party.

Saturday 17-3-2017

Departure of all groups at different times.
