Erasmus+ teacher's meeting in Ås

Dear European colleagues,

Ås ungdomsskole is glad to invite you to the first teacher's meeting of our Erasmus+ project *Be the Change*, which will be held in Ås from Sunday 24th to Wednesday 27th September 2017.

We warmly welcome you to spend these four days with us, during which we will discuss and decide on the implementation of our project, develop a wider register of teaching methods for sustainability and explore our surroundings.

Please remember that this is a provisional schedule and the plans we have now may be slightly changed.

We are looking forward to welcoming you and your students to our school.

Kind regards.
