

# FIRST TRANSNATIONAL MEETING IN NORWAY

24.09.2017-28.09.2017

The **First Transnational Meeting** took place in September, in Norway. There were brought together representatives from all partner schools involved in this strategic partnership – Greece, Bulgaria, Portugal, Spain, France and Norway.

The objectives of this 1st transnational meeting were to:

- discuss the project to ensure that all the partners had a good understanding of the aims and structure of the project;
- discuss the learning outcomes, cross-curriculum approaches and evaluation of activities;
- discuss budget issues;
- workshop on philosophical dialogue;
- have a walk-in-the-woods;
- visit the ecological school farm;
- attend to an inspirational lecture about sustainability offered by Astrid Sinnes, University of Life Science;
- visit Nobel Peace Center.

At the meeting all partners decided upon and approved the dates for the 2<sup>nd</sup> transnational meetings and all students mobilities.
