Job interview

The Do's and Dont's In a Job Interview

Do

*Research the company and the position you're applying for

*Research common interview questions and answer them

*Dress yourself appropriatly

*Bring all the requested paperwork

*Offer a firm handshake and make eye contact

*Be enthusiastic about the interview

*Give detailed answers with examples to the questions

*Answer questinons like, „What are yor biggest flaws?" intellengently but honestly

*Ask inteligent questions and prepare them before the interview

*Take notes so you don't forget every detail

Don't

*Rehearse your answers so much that sou sound like you're reciting from memory

*Dress too casuall or in revealing clothes

*Be late to the interview

*Slouch, fidget or yawn while beeing interviewed

*Be self-aggrandizing, insinuating that you are perfect and have zero flaws

*Speak negatively about your current or former company, boss or coworkers

*Lie

*Answer every question with a simple „yes" or „no" answer

*Say that you don't have any questions

*Call immediately after the interview to find out if you got the job, or make repeated phone calls
