- **As a parent, give us your opinion about the Project's insight.**
 - I feel that everything went very well, during the project my teenager learned a lot about entrepreneurship and communication with other students around Europe, Erasmus+ is a good project for teenagers who want to become more international and challenge themselves, it has been an opportunity to get to know other countries

and their cultures and learn entrepreneurial skills, lovely project – one experience more in our life, considering entrepreneurship the insight didn't work out, a good way to get to know cultures
