

ERASMUS+ KA2 – Empower Students with Entrepreneurial Skills

Interview deputy head teacher

1. To what extent has the project “Empower Students with Entrepreneurial Skills” responded to the needs of the students in our school grouping?

The project was highly effective because our students:

- 1) became more motivated and self-assured
- 2) improved their language skills (English)
- 3) increased their knowledge and skills in technical subjects such as Business Economics, Law and Marketing

2. In your opinion, how did the project contribute for a positive image of our school?

The image of our school has been positively affected by the project because:

- 1) our students' families are increasingly interested in international experiences and this project shows that our school is well organised and ready to offer students an excellent curriculum with plenty of opportunities abroad.
- 2) the project was highly consistent with our efforts to help students make good career choices.

3. Regarding the disclosure of the project and its activities, was it accurate or do you recommend other forms of disclosure?

The dissemination of the project was rather accurate and effective.

4. Refer to the adequacy of the activities developed during the project.

The activities were varied and consistent with the objectives of the project.
