

Erasmus+

## 2016-2018 ERASMUS+ PROJECT, EUROPE AS A WORKSPACE

### STUDY AND WORK OPPORTUNITIES IN TURKEY

The students directly involved in the project visited 2 companies, an employment bureau, a university and the chamber of commerce in Trabzon; and interviewed specialists/ managers of these institutions. The specialists/ managers of the companies were directed the same 25 questions.

1. What qualities would you consider most important for a job candidate? What is important regardless of the job? Where can these skills be learned?
2. What skills do we need to develop before applying for a job?
3. Why are communication skills so important in the world of work?
4. How can we develop our communication skills?
5. Do you think "team work/collaboration" is one of the skills needed in the world of work?
6. What do you think "learning to learn" means?
7. What do you think is important to the employer when it comes to working experience?

8. What is most important in writing a good CV?
9. What skills would we need in case we decide to set up our own companies in the future?
10. What are the advantages and the disadvantages of being an entrepreneur?
11. Which job types do you think will be most threatened by automation?
12. What skills do you think should be taught in schools?
13. What are some challenges of studying abroad?
14. What are some challenges of working abroad?
15. Can you name some "study abroad opportunities" offered in our country?

16. In what way can it be an advantage for the professional or personal development to study abroad?
17. What kind of challenges would we face in case we decide to study abroad?
18. What skills would we need most in case we decide to study abroad?
19. Have you ever considered studying or working abroad? What held you back or motivated you?
20. Which jobs are more popular nowadays? What skills are most important for these jobs?

21. Which jobs lost popularity nowadays? Which jobs are not needed in the world of work anymore?
22. Which jobs do you think will be popular in the future? What skills would be needed for these jobs?
23. Can you name 3 most important hard skills that job candidates would need in order to be employed in our country?
24. Can you name 3 most important hard skills that job candidates would need in order to be employed in our country?
25. Do you think high school or university graduates in our country are equipped with skills needed in the world of work? If yes, why? If not, why?
