

**STOP the CHANGE
SAVE the PLANET**

**Our world is what we do!
Think twice before doing
any harm to our planet!**

Take action and think green:

Drive less and walk more
Save Water and Energy
Plant a tree
Reduce, Reuse, Recycle
Encourage others to take action

Teens unite for the planet

Don't blow it, save the
Future

Save the Earth
we have nowhere else to go!

When you refuse to reuse, it's the
Earth you abuse

Better environment better
tomorrow
