

The background features a dark blue gradient with several overlapping, semi-transparent circles. A fine, light-colored grid pattern is visible across the entire image, creating a textured effect. The word "POLAND" is centered in a white, serif font.

POLAND

Hello! My name is Maria, I'm from Poland and I would like to introduce to you my country. Let me show you the most beautiful places, bravest people, most talented artists and most delicious Polish cuisine.

In my country kids go to school at the age of six. At the age of thirteen we go to middle school and after three years of education we go to high school. In the picture you can see my school.

Some of the most beautiful places in Poland, are the Tatra Mountains, Mazury lakes, Baltic Sea and Białowieża forest. We have also very beautiful cities, to spot Warszawa, Wrocław, Gdańsk and Krakow among many others. In the picture you can see a small part of Białowieża forest.

Some of the bravest and finest Poles are our sportsmen. You probably know such names as Robert Lewandowski, Adam Małysz or Marcin Gortat. They are champions and we all are very proud of them. In the picture you can see Skiing World Champion Justyna Kowalczyk.

In a past few ages, we gave the world famous composers like Fryderyk Chopin, Witold Lutosławski, singers Piotr Beczała and Aleksandra Kurzak, jazzman Tomasz Stańko and metal band Behemoth. Picture on the next slide, shows you Krzysztof Komeda Trzciński who wrote "Rosmarys baby" theme.

Any time when tourist comes to Poland, he must try our traditional cuisine. We have a lot of delicious meals with legendary dumplings on the first place. You can have them with meat, cooked cabbage with mushrooms, spinach or special stuff made of potatoes and white cheese. We usually serve them with curd.
