PROJECT TITLE: "CLIL ACROSS THE BORDERS - ENJOY AND LEARN"

LEARNING ACTIVITY IN MIELŻYN, POLAND

OSTRÓW LEDNICKI AND GRZYBOWO

Erasmus+

WE STARTED OUR TRIP WITH VISITING OSTRÓW LEDNICKI ISLAND

When we got off the bus, we went straight to the ferry.

It is the only way to reach the island.

WHEN WE REACHED THE ISLAND...

After arriving, we were greeted by a guide who told us the history of the island and showed us a model of what it all looked like many years ago.

WHEN WE WALKED A BIT, WE SAW RUINS

These were the ruins of the former palace with adjoining chapel.

THEN WE CLIMBED THE EMBANKMENTS

After climbing the embankments, we saw the entire island and a bit of its other shore.

COMMON PHOTO

Then we took a group photo with the warriors.

BRIDGE

After the photo was taken, we went on the bridge and the guide told us about the widest bridge in Europe on which carts could pass.

AFTER SIGHTSEEING...

When we visited the whole island, the guide showed us various old tools, and we could see what the old hut looked like.

SEARCHING

The guide gave us a task to find old crocks' pieces underground.

BEFORE LEAVING THE ISLAND

We took another photo :)

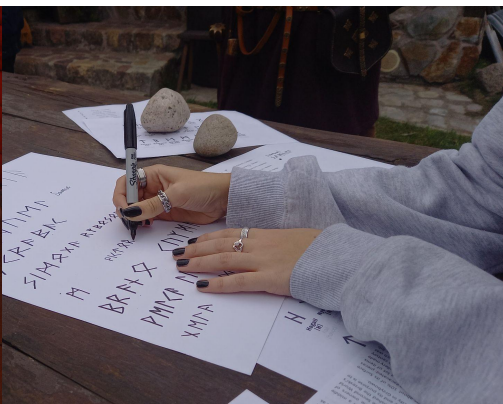

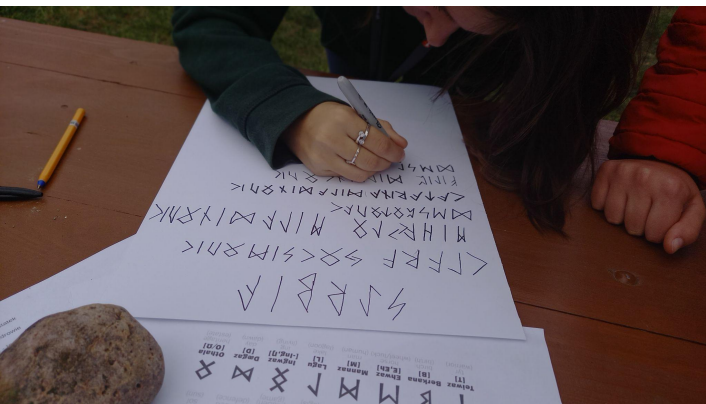

ANOTHER WORKSHOPS

When we arrived to Grzybowo, we ate dinner and took part in other workshops.

FIRST TASK

During the first task we had to write our names in the medieval alphabet.

SECOND TASK

In the second task we have learnt to hunt, shoot arrows, or throw the axe.

THIRD TASK

Third task was about tracking animals. We also could touch furs and take a look at skulls.

THE GAME

After workshops, we played a game which is about hitting wooden blocks by throwing a stick. After hitting all blocks, the winning team hit the king block.

AFTER THE GAME

After the game we were making pots, mugs and other things from clay.

COTTAGE

After the clay workshops, we went to the old hut where the guide showed us armors and swords. We could try them on.

ANOTHER PHOTO

We took a photo with the view of Grzybowo stronghold in the background.

THE END OF WORKSHOPS

At the end of workshops we were knighted.

Impressions from Ostrów Lednicki and Grzybowo

The trip was very successful. It provided us with many unforgettable impressions.

It provided us and our guests not only with a lot of entertainment but also it became an excellent lesson of nature and history.

We hope that this is not the end of our Erasmus+ experience, and that we will have more trips to other interesting places.
