In the meantime, there was organised a robots' station. These were robots made and programmed by our students. Each participant could try how they work or program them on his/her own.

After lunch, an official closing of the meeting began. Firstly, there was a piano show prepared by one of our students Tymon Tupurins.

Secondly, there was a karate show prepared by our students from Year 5.

Later, we presented our posters and the dance and the song.

Then, our headmistress made a speech and handed out the certificates and gifts prepared by our students. Next, Jana made a speech. We were really happy to hear such nice words.

In the evening, we had a disco for all participants of the project. We chatted and danced together. We ate delicious pizzas. It was hard to say goodbye. Some of us couldn't stop crying. We can't wait to see our friends during the next learning activity which will be held in Serbia.
