The Swedish culture and its nature

Our most famous
Midsummer! Here we
gather around like frogs around

our architecture

and eat potatoes

pickled herring

We care a lot

about

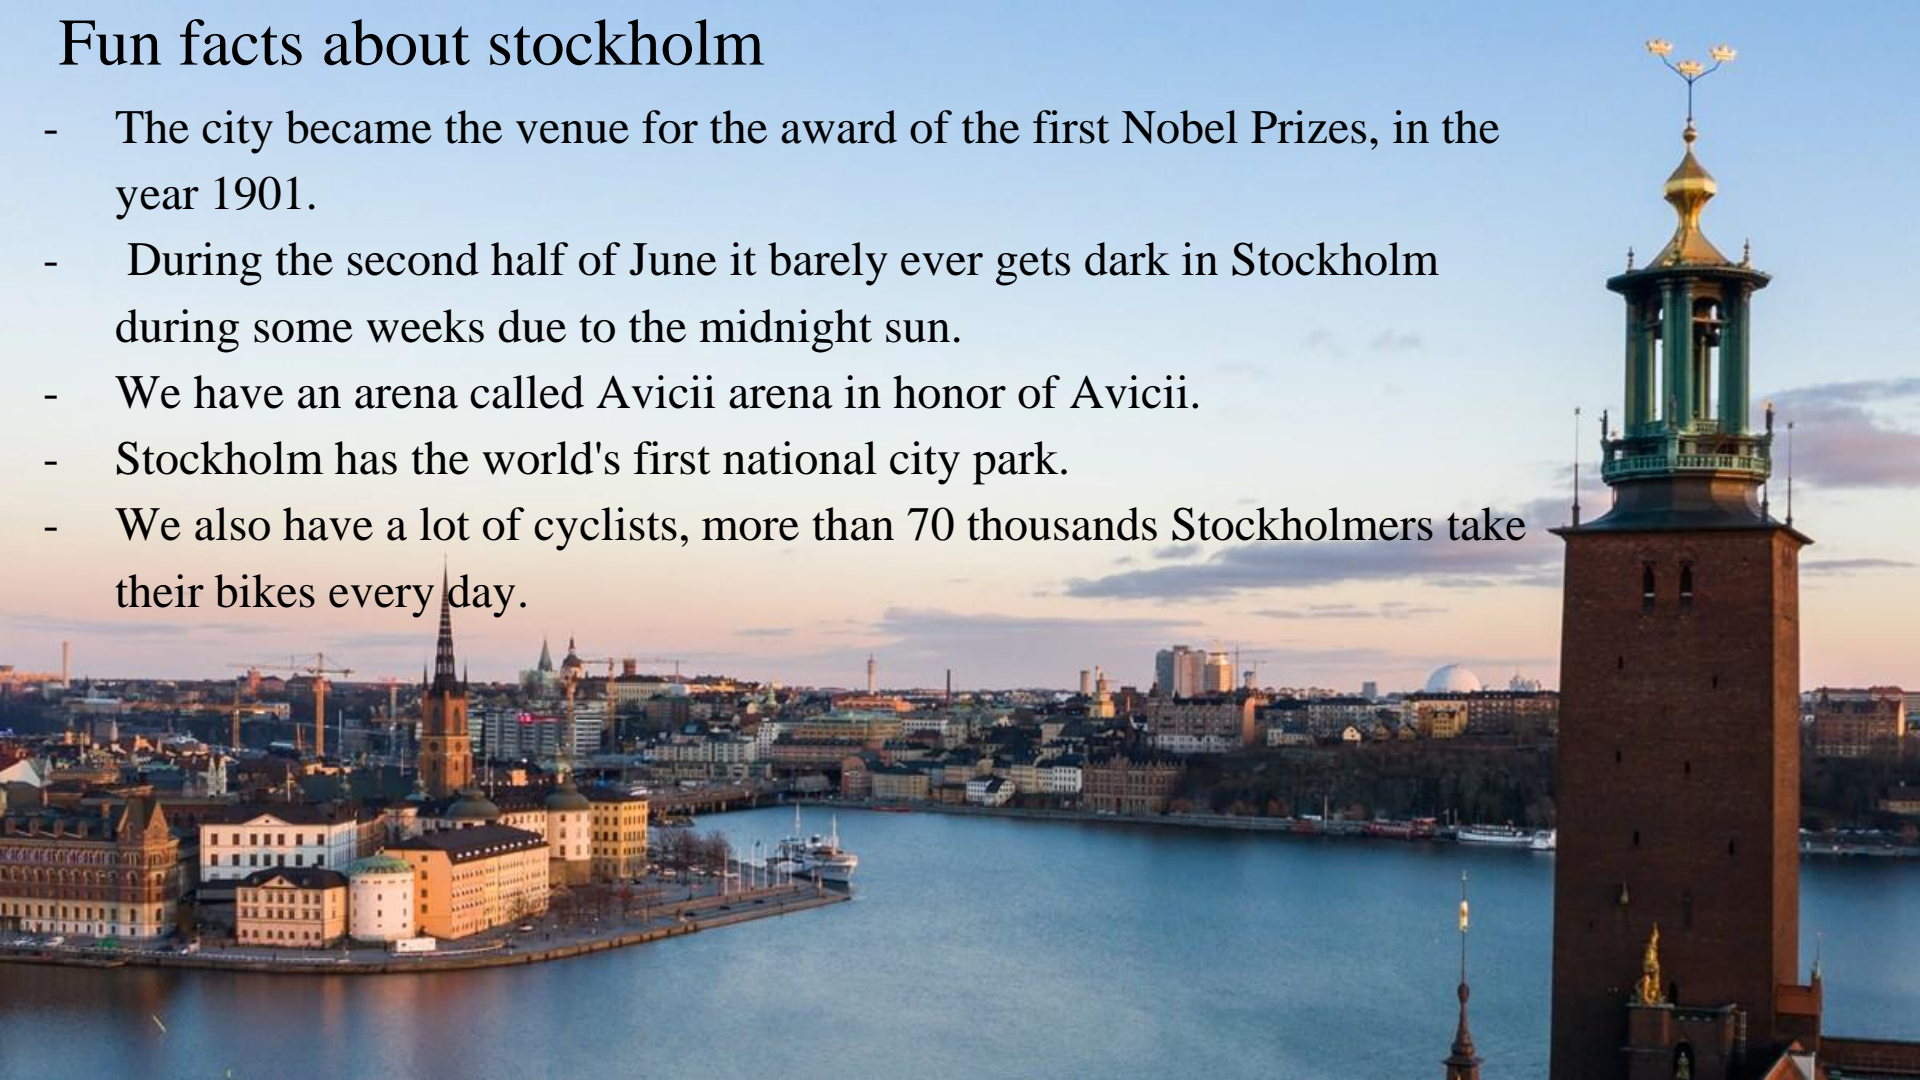

The capital of sweden

Stockholm

Fun facts about stockholm

- The city became the venue for the award of the first Nobel Prizes, in the year 1901.
- During the second half of June it barely ever gets dark in Stockholm during some weeks due to the midnight sun.
- We have an arena called Avicii arena in honor of Avicii.
