TORRICELLA SICURA

**has got about 2700 inhabitants.
It is located in the natural park
known as the “Gran Sasso and
Monti della Laga Park”.**

**OUR CHURCH IS ONE OF THE MOST
IMPORTANT PLACES OF OUR VILLAGE.
IT IS LOCATED NEAR A BIG SQUARE.**

**WE LOVE OUR CHURCH AND WE TRY
TO GO THERE ALL SUNDAYS.**

SPORT ACTIVITIES AT TORRICELLA SICURA 😊!!!

Sport is very important for our village,
even if the most practiced one ... is football !!!!!!!.

Torricella has got a very avant-garde football field made with synthetic grass and inaugurated on January 26th, 2019.

Torricella created a football school with about 100 boys.

For a small village like ours that is very important and, besides having fun, we also are able to make new friends.

DON NICOLA CARAVELLI PLAYGROUND

Torricella playground was inaugurated on Sunday 3rd June, 2018.

This park was dedicated to the parish priest don Nicola Caravelli, who had lived at Torricella for a long time and the people of the village was very attached to him.

The playground is the meeting point for all Torricella children and especially in summer it is always full of young people.
