

CREATING A LOGO

Can you help us to create a nice logo for our Erasmus project?

Just think about this:

1. What is Erasmus? Have you ever heard about it?
2. Have your school participated before in any Erasmus program?
3. The title of the project is W+W: NEW WINDOWS FOR A UNITED WORLD - BILINGUAL EDUCATION. You can translate it into your language in order to help student.
4. Now imagine, create and Draw.
