

21th March in Slovakia and Poprad

The weather was very nice (surprisingly, because we did not see much sun during winter), but there is still a lot of snow in

People in Poprad commemorated the anniversary of the transport of women and girls to Auschwitz.

These are typical Easter eggs from a little village near Poprad. They are special because there must be a verse on them. Here is an example:
You are my loyal husband, I love you,
what shall I give you as a sign of my love?
I can give you this nice egg and I will love you truly forever.

In the High Tatras they discovered a plant, which was last seen there in 1973 - its latin name is Cochlearia pyrenaica.

Peter Sagan, our best cyclist, should win... says the article in "Hospodárske noviny" newspaper.
