

ERASMUS KA2 The key to sustainable future

10th – 14th May 2021

Estonia mobility

Younger learners event

Date: 10th May 2021

Time: 1 hour

Description: groups of students from Poland, Estonia and Slovenia will meet Italian students to enjoy games and/or songs on the healthiest food: fruit. Each country will upload the fruit words in their own language and try to learn them. On 10th May they will be challenged in games (quiz) in which they should guess the fruit name and their main characteristics. Among the questions there'll be some Polish, Italian, Slovenian words!!

Aims:

- to develop an healthy attitude towards food
- to understand the importance of languages in order to communicate in a European context
- to acquire the competence to solve unusual and challenging situations
- to develop the awareness of belonging to Europe
 - Before the event (as soon as possible) the teachers are asked to fill the chart below with the European translation.

I have already uploaded in twinspace a game where the students could listen to Italian pronunciation

FRUIT	ITALIAN	SLOVENIAN	POLISH	ESTONIAN
PLUM	PRUGNA	SLIVA	ŚLIWKA	PLOOM
APPLE	MELA	JABOLKO	JABŁKO	ÕUN
BANANA	BANANA	BANANA	BANAN	BANAAN
GRAPES	UVA	GROZDJE	WINOGRONA	VIINAMARI
CHERRY	CILIEGIA	ČEŠNJA	CZEREŚNIA	KIRSS
ORANGE	ARANCIA	POMARANČA	POMARAŃCZA	APELSIN
STRAWBERRY	FRAGOLA	JAGODA	TRUSKAWKA	MAASIKAS

- The primary teachers could suggest some questions and we will make the quiz/game

All words will make a linguistic fruit salad using for example tagxedo.com

POSSIBLE DEVELOPMENT: the young learners could create acrostics and/or slogans using the fruit they like most and uploaded in twinspace.
