Human

lie believe me(5) blind behind them(2) human can(2) mirror problems(2) cry (2)

I'm only
I'm only—I'm only—
I'm only human, human

Maybe I'm foolish,
Maybe I'm
Thinking I can see through this
And see what's
Got no way to prove it
So maybe I'm lying

But I'm only human after all,
I'm only human after all
Don't put your blame on
Don't put your blame on me

Take a look in the
And what do you see?
Do you see it clearer
Or are you deceived
In what you?

'Cause I'm only human after all,
You're only human after all
Don't put the blame on
Don't put your blame on me

Some people got the real
Some people out of luck
Some people think I can solve
Lord heavens above

I'm only human after all,
I'm only human after all
Don't put the blame on
Don't put the blame on me

Don't ask my opinion,
Don't ask me to
Then beg for forgiveness
For making you
For making you

'Cause I'm only human after all,
I'm only human after all
Don't put your blame on
Don't put the blame on me

Some people got the real
Some people out of luck
Some people think I can solve
Lord heavens above

I'm only human after all,
I'm only human after all
Don't put the blame on
Don't put the blame on me

I'm only human, I make mistakes
I'm only human that's all it takes
To put the blame on
Don't put the blame on me

'Cause I'm no prophet or messiah
You should go looking somewhere higher

I'm only human after all,
I'm only human after all
Don't put the blame on
Don't put the blame on me

I'm only human, I do what I
I'm just a man, I do what I
Don't put the blame on me
Don't put your blame on me
