ABOUT US

- European Schoolnet is the **network of 31 European Ministries of Education**, based in Brussels. We aim to bring innovation in teaching and learning to: Ministries of Education, schools, teachers, researchers and industry partners.
- European Schoolnet pledges to:
 - **Support** schools in achieving effective use of ICT in teaching and learning
 - **Improve** and raise the quality of education in Europe
 - **Promote** the European dimension in education

Through our activities, we aim to **transform teaching and learning processes**, using the integration of ICT as a force for improvement.

The screenshot shows the homepage of the Better Internet for Kids website. At the top, there is a navigation bar with the title "Better Internet for Kids" and a search bar. Below the navigation bar, there are several menu items: POLICY, PRACTICE, RESOURCES, GUIDE TO ONLINE SERVICES, and SAFER INTERNET DAY. The main content area features a news article titled "Latest BIK bulletin: Cyberbullying revisited" with a sub-header "Awareness" and a date of "30/03/2017". The article text reads: "In each edition of the BIK bulletin, we look at a topical issue – this month our focus is on 'cyberbullying revisited' as we look back at the developments made in recent years in tackling bullying online and highlight some of the latest approaches and resources." To the right of the article is a banner for the "BETTER INTERNET FOR KIDS PROJECT". Below the article is a banner for "Safer Internet Day 2017 | Tuesday 7 February" with the tagline "Be the change: Unite for a better internet" and the website "www.saferinternetday.org". The banner also features logos for the European Commission, INHOPE, and ins@fe. On the right side of the banner, there is a small game interface with a grid of icons and a score of "486,471ps".
