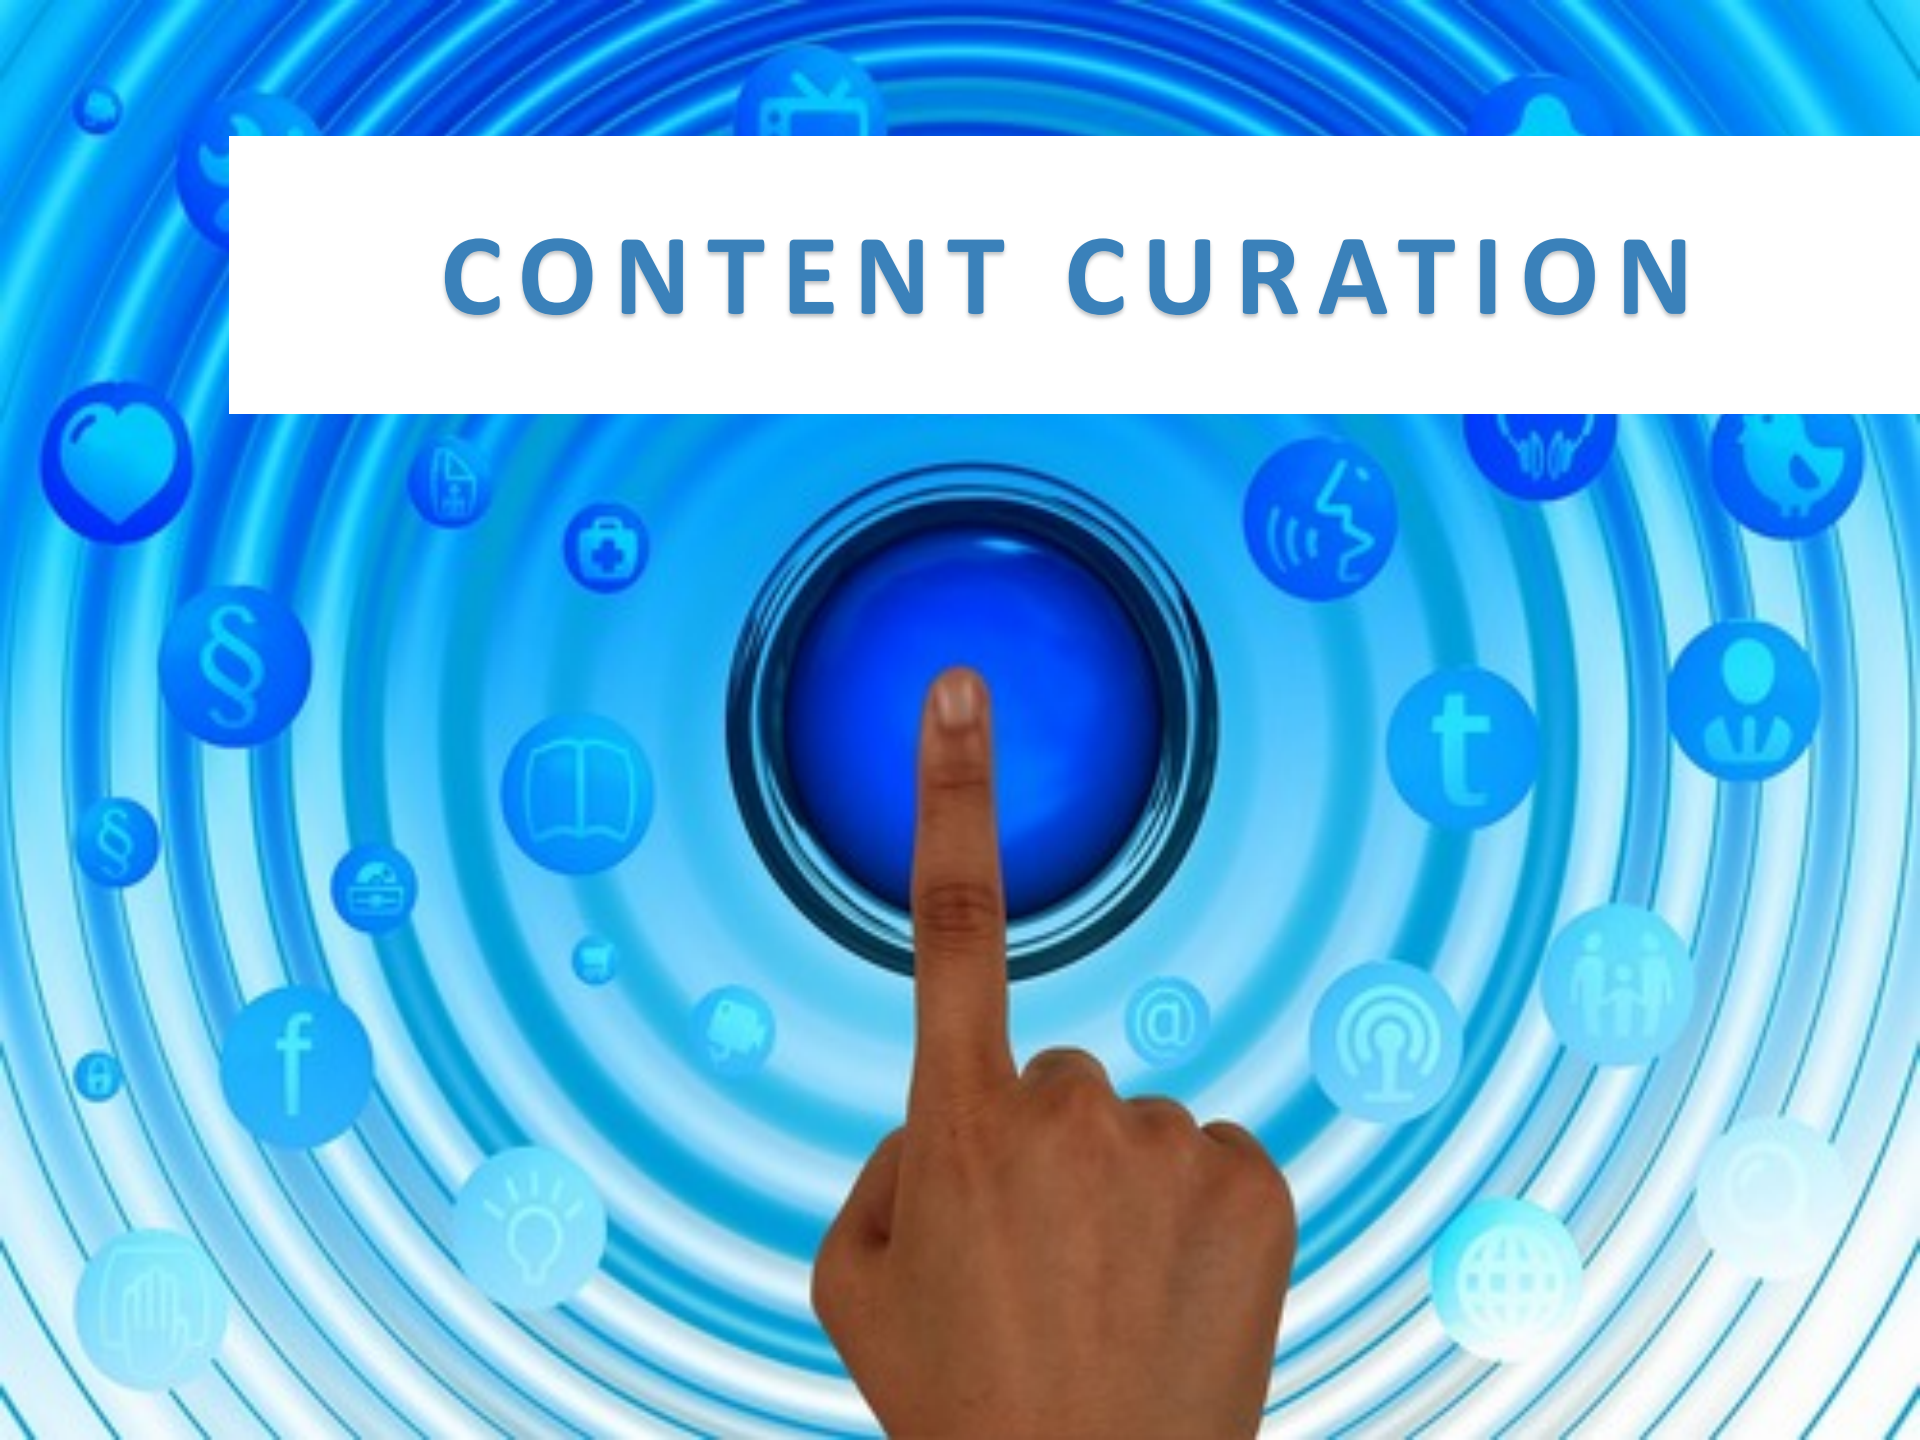
CONTENT CURATION



COLLECTIONS

What do you collect?

CRITERIA	COLLECTING	CURATING
Thinking Level		Evaluation
Process	Not a lot of depth in the selection process ; somewhat random	"cherry-picked" Reading, Synthesizing, Interpreting, Evaluating for Theme & Context; Disciplined, purposeful, continuous process of inquiry
Organization – *How the resources are linked together*	Thematic	Thematic AND Contextual – "real world" use, examples
Value	Meets a personal interest – value to collector. Quantity matters.	Meets a learning goal -value to collector AND learners. Quality matters
Audience	Not necessarily shared	Arranged, Annotated, & Published Somewhere – available to the general public – beyond the life of a particular "course" – Shared
