That was an unique and wonderful experience. I am aware that it required a lot of effort, energy and involvement. You are an amazing team! Great work!

It was a very good experience, and a very good organization.

Everything was perfect!

Many many thanks :)

I think that every country are different and countries are striving as much as they can. However I think that next time should be free at least 2 evenings.

Thank you!Amazing job!

THANK YOU VERY MUCH FOR YOUR HOSPITALITY AND FRIENDSHIP. WE ARE DELIGHTED!!! IT WAS AMAZING TIME!!!

I spent this week in a very pleasant atmosphere. Everyone was very nice, smiling and open. Thank you and see you soon.

The delivery of certificates and presentations from the schools should have been more institutional, people started to get up and there was noise and confusion.

I liked the warm behavior of the Italian teachers. And the farewell lunch of last day was impressive.

But the certificate ceremony was a little bit a mess.

But, in general, everything was according to plan and worthy living the experience.

Thank you all and congratulations

Everything fine and appropriate
