

Introduction – Anastasia Gluhova, Bulgaria -☺

My name is Anastasiya Gluhova and i am sixteen years old. I am from Smolyan. I am in ten grade and study in SOU"St.st. Cyril and Methodius". Smolyan is a town in the Rhodopes Mountains. These mountains are located in southwest Bulgaria and they are magnificent with a lot of history. There are a lot of landmarks in my town: planetarium, waterfalls, museums and one of the biggest church in Bulgaria: "St. Vissarion".

I live in a flat in the center of the town with my parents. Unfortunately, i haven't got any brothers and sisters. My mother's name is Todorka. She works as a nurse in the hospital. The name of my father is Rumen. He works as a policeman in the police station. In my free time i like dancing folklore dances and it is my hobby. In this way i relax and have fun. Also i go out with friends and we enjoy altogether. Of course, i study too.
