92 odpovědí

Would you like to participate in an international project in the future?

92 odpovědí

What was good about this project?

83 odpovědí

Everything (5)

people (2)

The people and the tasks:)))

The students cooperated not only on the tasks given but also between the activities on everyday basis. It was nice to see them communicating and cooperating.

Peoples

New friends and skills

Variety of tasks and activities

I met such a great people and improve my language skills

New people, travelling, learn English

I had chance to visit different country and know more about it's culture

Chance to see differences

The opportunity to let as know other cultures

all was beautiful

It was good the cooperation with new friends

That all students were together and lived in their homes.

I think that stay with the other european friends was good.

I had the opportunity to meet new friends and visit a new country

The places we visited and the fun experiences we did

It was good that you can visit other places and learn a lot of things about life in the other countries

Getting to know new people, going to another country

Meeting other people and visiting other countries which is something new for me

we met new super people

I was met new friends and learn about another countries

I think that this project is very usefull and it's importante for improve the English, for make new friends and for learn new cultures

The conversation with the other guys of different country

All about the project was perfect.

The opportunity to meet new people

I can see a lot of interesting places. I met with a many of new friends :) Thank you on teachers in all country. Thank you on my host family in Prague :) I feel wonderful with this family in Prague :)

I met with many wonderful people-friends,parents,teachers.This was my first travelling to abroad and this happened thanks of the Erasmus+ .That was most exciting week in Altamura Italy this happened thanks of my lovely host family.

I met different people from many different countries and learnt about their culture and traditions. I want to thanks a lot to my host family from Prague (Sofia Poriazova), because I felt like i was at my home in Smolyan.

I developed my language skills

Everything starting from People to Food !

The friendly COOPERATION among the partners

The project was very good for me. We had very long and amazing trip. I was so funny to meet new friends and new teachers.

According to me the best thing of the project was to know people from other countries.

New experiences and new friends

Improve my english

Friendship

all

It was all good and the school was very good to organize the projects

The most valuable of the project - how students from four different countries communicate, learn and have fun together as friends. This is unforgettable.

The guys

I have made new friends

All was good.

The organization, meeting with other students and teachers.Everything was perfect!

All was good

I like everything of this project

I think everything was good because we learn more about traditions in other countries and more about their liferoutine

Good in this project was make friendship and do some different things

All was good

Създават се много нови приятелства, подобряват се езиковите и комуникационни умения, научава се много за историята, традициите и културата на страните, от които са партньорските училища.

Meeting many people

collaboration

Everything - pedagogical practices, lessons, created new friendships

Meeting many different people and cultures.

Meetings, good relationships, unforgettable moments, live participation and, of course, the best done from our partners.

communication and collaboration which help young people to live in a different and positive life

communication

communication, collaboration

Travel, friendship, hospitality, smiles ...

new friends

We didn't study for a week:)

Nuttin' much

Not Much

No school for a week and free food

Traveling to other countries.

film

meeting new people

free time with students from partners school

traveling

Meet another people.

the topic which choose other countries was very good

i met lots of new people.

this project is OK

I think this is really good projekt and I like it very much!

That I met new friends.

team work

we met lot of new people and informations of their culture and countries

What would you improve in this project?

75 odpovědí

Nothing (9)

Better preparation of some of the outcomes on time delivery of outcomes by the teachers

better preparation of some of the outcomes, on time delivery of outcomes by the teachers.

I don't know

Something activities

More days to visit abroad

I think project Erasmus + should be longer time, not one week but 2 weeks or more

Nothing! The project is perfect as it is ♥

Nothing, it's perfect.

nothing

Nothing. It's perfect

My language skills.

Nothing because it's already fantastic

ICT skills

I would like to increase the focus of selecting homes where you can be accommodated

Longer exchange time

More travelling

it should be longer

Nothing else

I think this project is really nice and that the only thing to improve is its duration because, according to me, a week is little

My language

Everything was perfect

I would improve my language and communication skills.

more outdoor time

I think that this project- Play, be free! is a perfect organization and I can't change nothing :)

I think this project is perfect and I would not change it for the world and also I want to take part in other similar project.

I improved English a lot, also I improved my communications and social skills which is very important for me for my future.

Nothings

nothing everything was great !

I improved my reading skills, language skills, writing and speaking skills.

I would improve my English in this project.

New cultures

I would improve my language skills

I would include more schools from each country.

My language and comunicazione skills

I've improved my English and I learned a few words in Czech and Polish

Nothing. It was perfect!

Nothing. Everything was perfect in the project.

Maybe that more students have yo be part of this project

I don't know what I change in this project

nothing

He бих променила.

many thinks

I would like to continue...

Project is very good and I happy to be part

I would like to visit other countries for longer time. That way the student can better know the forgein country, culture, food, music, sport etc.

May we have other of this kind in the future.

We need more budget

budget

more budget

Nothing.

organisation

Everything

The Weather

Whole project. U should google what a treasure hunt means and improve ur sense of humor

program

I DONT NOW

i would do it so everybody can meet some new people

i dont know, nothing

traveling

I improved english language

the comunication with italian teachers was horrible

i dont know

to live more people

Nothing...

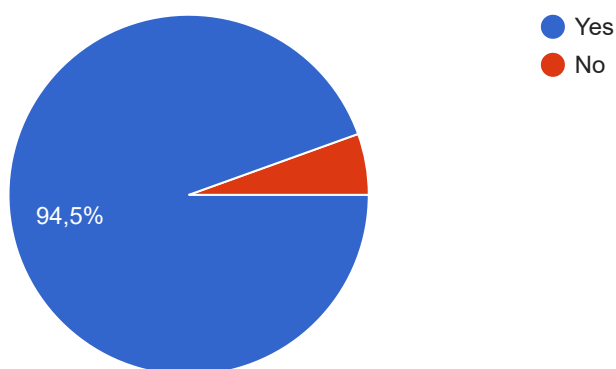

I dont know

to be contiued

more meeting between not acommodating people

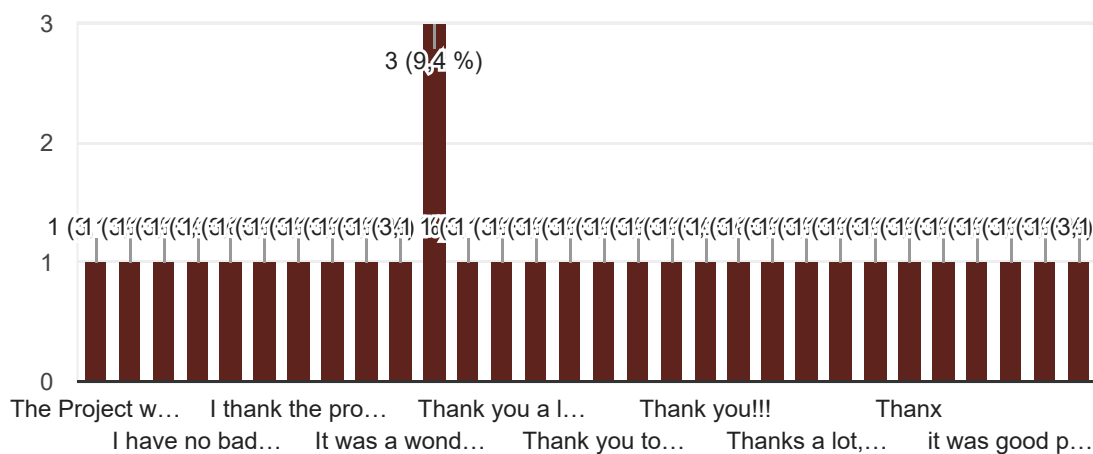

Would you recommend a similar international project to your friend?
