

Listen now, that's our song,
We are the teachers of Play, be free
let's have some fun, here we come
we're gonna shine like the sun.
We love, we love Pra-ha...
Party hard, movie stars
Steven Spielberg was watching us
Let's start to act, don't step back.
We all did our best in fact.
We love, we love Lowicz...
Making cut-outs, jewellery,
paper flowers, embroidery
Folk costumes, crafts and art
Treasure hunt was not so hard.
We love Alta-mura.
Have you been to Italy,
Sheep farm and bred factory
Sing with me till the end
Padre Pio is our friend.
We love we love Smolyan.
Back pipes play, children sing,
Everybody is dancing in the ring
Don't be lazy, don't be slow
Are you ready for the show?!
We want you to join us!
