

# Nature is my world

IC Don Angeli

ITALY

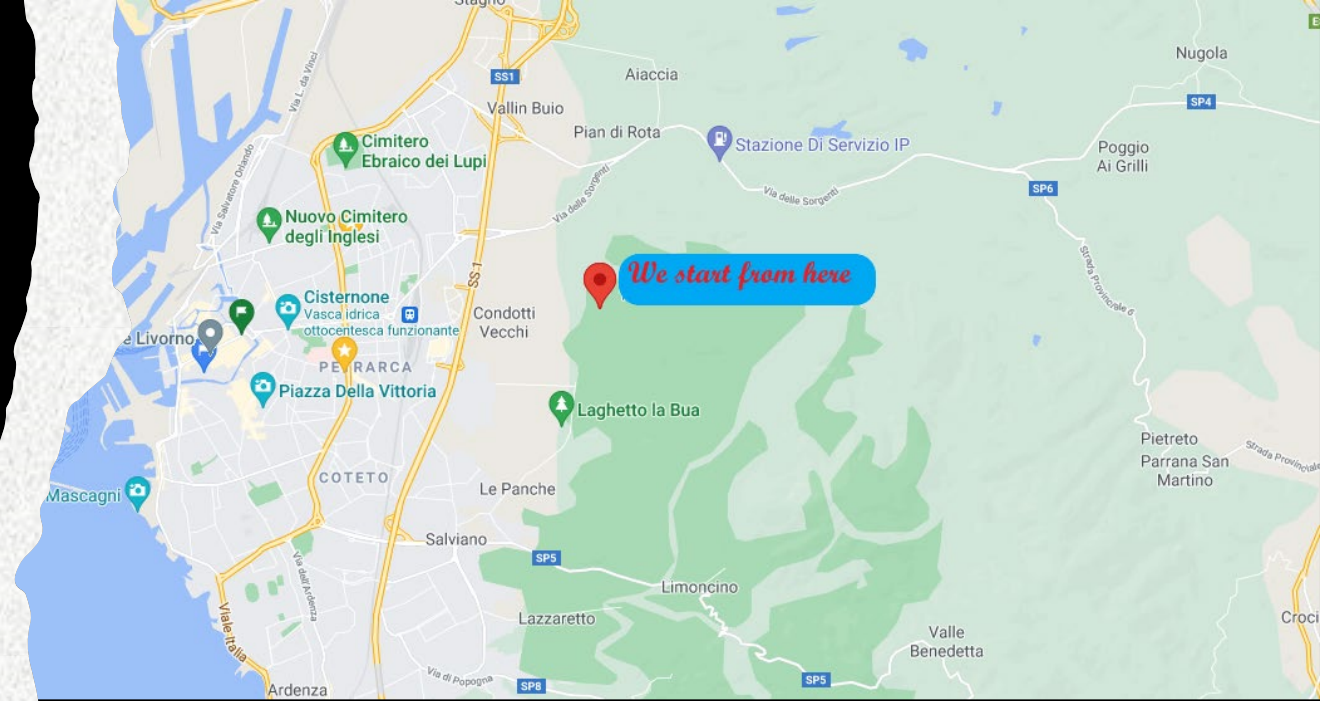

A group of people, including adults and children, are exploring a dense, sun-dappled forest. They are surrounded by lush green foliage and trees. The scene is bright and natural, with sunlight filtering through the leaves. The text "Let's discover our territory" is overlaid in white, bold, sans-serif font across the center of the image.

Let's discover our territory

We are in the  
hinterland of  
Livorno, but a few  
km from the sea e  
from our school

The guide explains  
what we will find,  
then we move on to  
observe the plants

And  
what will  
be here?

The ancient source!

That's why the street  
of our school is  
called Via delle  
Sorgenti! (street of  
sources)

We really  
needed a  
day in  
nature!
