Hello!

Tuesday 15th December 2015

My name is Noemi Sochi.

I live in Pieve di Compito near Lucca. That is in the north west of Italy. I'm quite tall, I have long dark brown hair and brown eyes. I have a sister that her name is Rebecca and she's 18 years old. My mum is called Paola, she is a lovely mum and I love her so much; my dad's name is Marcello and obviously he's a lovely lovely dad. Next year I'll go to high school so this is my last year here in the middle school. I love Italy but I don't know if in the future I still stay here, 'cause I love travelling and I love visiting the rest of the world. I love meeting different people and I would like to learn about different cultures that there are in all of the world, but I love Italian food that for me it's the best. Who's your favorite singer or who's your idol? Mine are Ariana Grande and One Direction but I also follow other artists like Justin Bieber, Little Mix, Taylor Swift, Fifth Harmony, Ed Sheeran and 5 Seconds of Summer, yeah I listen a lot of music!

I'm a superfan of Harry Potter and my favourite actress is Emma Watson that she interpreted Hermione in the film. So right now it's time for you to tell me something about your life!

Lots of love xNx
