

Dear

I'm Tatjana I'm 13 years old, I'm from South Africa but I am Serbian and Portuguese.

I'm in the 8th grade, my favorite subject is ^{pare} maths and science, but I like languages too. I speak 4 languages, Serbian, English, Italian and I am learning Spanish... I also like making new friends.

I have got a brother, he lives in Rome with my dad and his Mum. I live in Lucca with my Mum.

My brother and I don't really look alike, I have brown hair and green blue eyes, I am not that tall and not that slim, instead my brother is slim and his got light blue eyes and his got blond hair.

I don't have a favorite food I like every thing.

I have traveled a lot, I love traveling it is my favorite thing to do. I've been to Sweden, Switzerland, Serbia, South Africa, London and to Montenegro. My dream is to go to New York, And I really want to see Istanbul.

Would you like to see Italy? if yes, why?

Hope you write back soon,

Best wishes,
Tatjana Benini
