CENTRUL ȘCOLAR PENTRU EDUCAȚIE INCLUZIVĂ

Our school is:

- a state financed centre for special education
- founded in 1929 and active ever since
- one of the firsts in the country to develop inclusive forms of education (1995).

Co-funded by the
Erasmus+ Programme
of the European Union

Our school's mission:

- To diversify proper educational services for all the children with special educational needs who address themselves to our school.
- To offer educational services that lead the children to become autonomous and ready for social integration.

of the European Union

We offer educational services for 165 kindergarten, primary and secondary school level children with:

- severe and moderate intellectual disability
- learning difficulties
- autism spectrum disorders
- mild and moderate intellectual disability, integrated in mainstream schools (services provided by 34 support teachers for about 400 students from Cluj-Napoca and surroundings)
- home schooling (3 students)

of the European Union

We also offer:

- specific therapy for speech disorders, behaviour problems, sensory and physical disorders, development disorders and adaptation difficulties;
- evaluation, diagnosis and orientation provided by our Internal Evaluation Team;
- counselling and informative sessions for parents and teachers;
- pedagogical research and specific studies;
- longlife training programs for teachers;
- specific support regarding inclusive education, for teachers from mainstream schools.

Co-funded by the
Erasmus+ Programme
of the European Union

We evaluate every child when he/she enters the school.

We work in small groups.

We create an individual educational plan for every student.

We use 3 different types of special school curriculum:

- one for children with mild intellectual disabilities,
- one for children with severe intellectual disabilities (according to each child`s level)
- one for curative pedagogy (alternative for 3 classes).

We adapt and complete the IEP as needed.

We aim on abilities and functions that will help the student participate to future daily life.

We use modern technology, computers, specific softwares.

We create secure and special environments /classrooms.

The daily program:

- In the morning:
class educational activities (from 8 am to 12 or 1pm) following the special school curriculum
- Lunch from 12 to 1pm (free of charge)
- In the afternoon:
program of complex educational therapy and individualized corrective-compensatory activities (until 4 or 5 pm depending on the class level).
