Materials all in one place

A group of teachers in our school collected all the teaching methods in our school in one place on teams. They made a movie to show the teachers where they can find the information

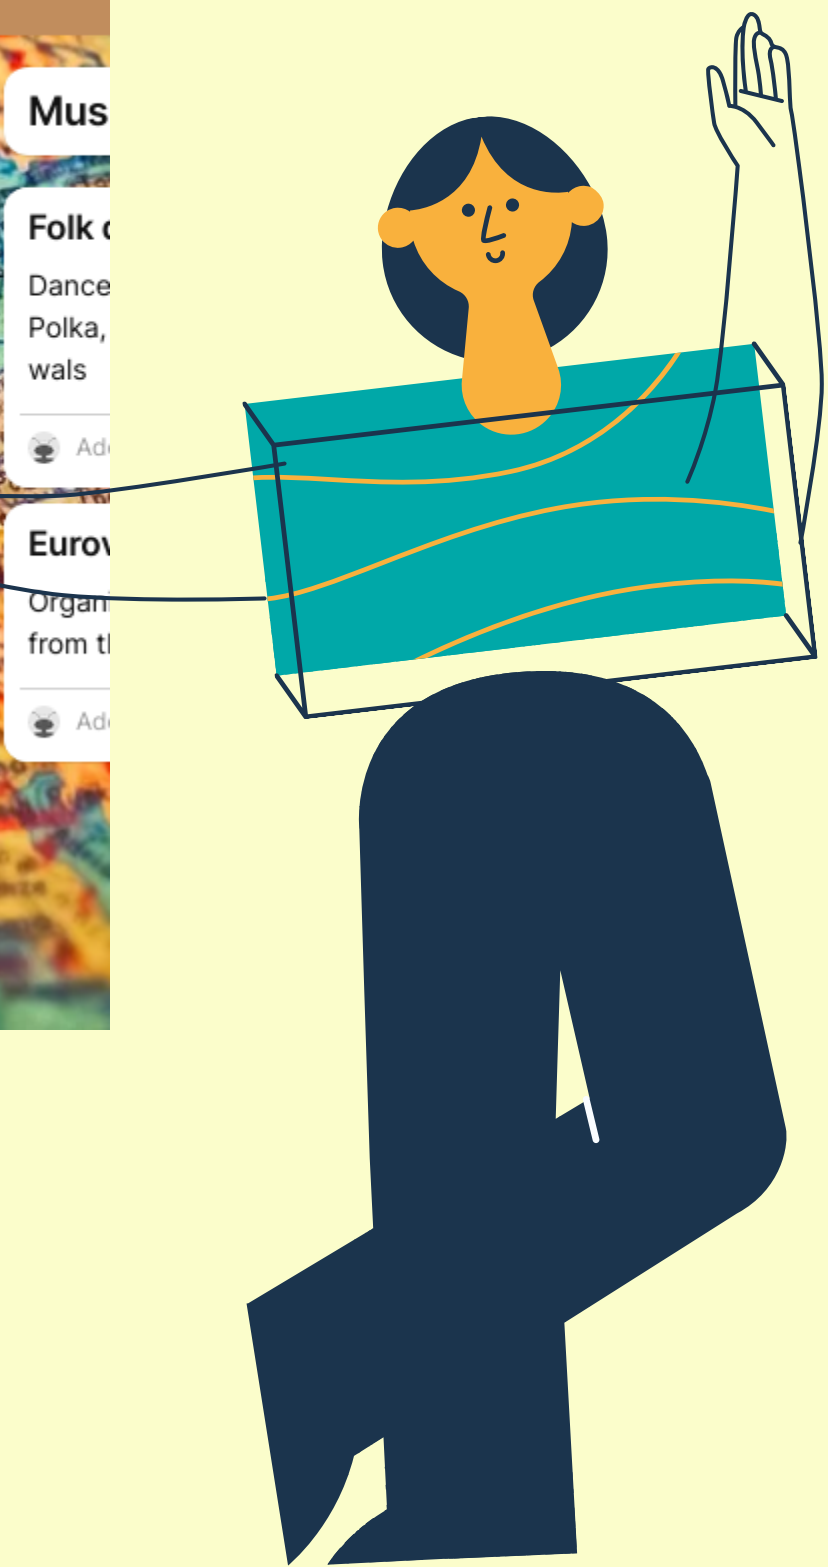

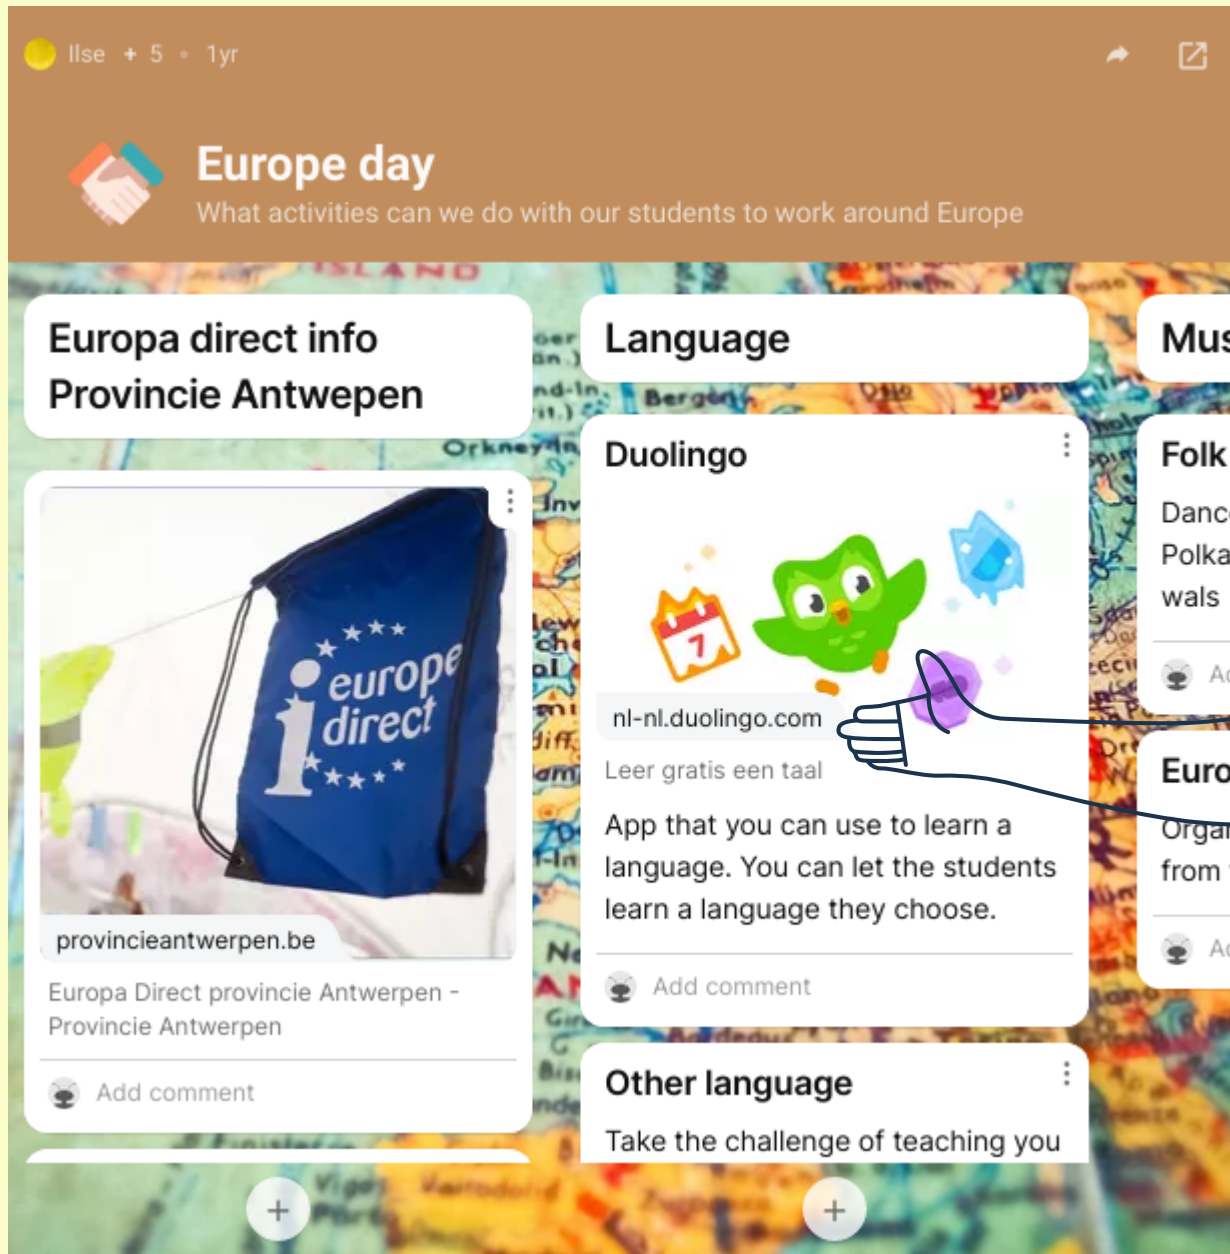

Christmas in Europe

Using new online teaching methods

- online spinningwheel
- online pictionary
- using flipgrid to communicate
- using google meets
- sending cards...

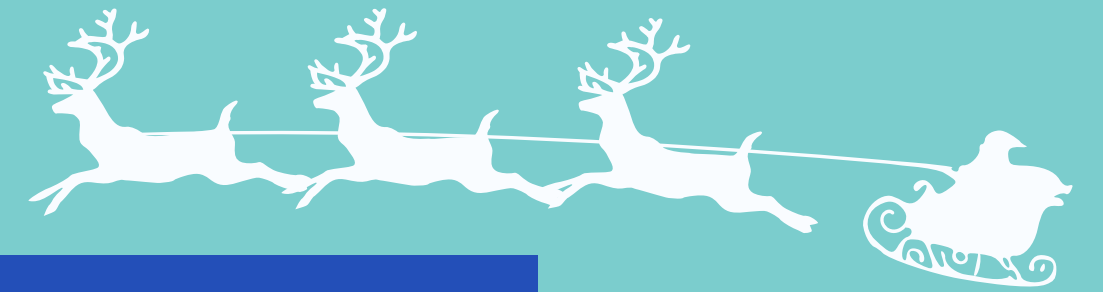

Our teachers will be challenged to give the lessons with a European touch, trying to use new teaching methods.
