

Evaluation form Webinar1 - Flc

Co-funded by the
Erasmus+ Programme
of the European Union

Traveling to new teaching adventures

Did the technical part of the webinar function ok?

- Yes
- Small problems
- Major problems

If there were any technical problems, what went wrong?

muting, but it was fixed by the host.

the initial noise. but the presentation was very good.

People where not muted in the beginning

In the beggining, we could not understant anything, because some people had their micr

The muting from the participants in the beginning

The audio and video weren't always synchronized

Sound wasn't ok.

The sound quality at the beginning .

The sound

Sound problems

We couldn't hear the speakers very well

Only the sound is not very well

Just the sound.

Everything was ok

Was this webinar useful for your teaching/school?

- Yes, very much
- Yes, a little
- Not very much
- Not at all

Please explain which part of the webinar was most useful for you

The last part, about the Malawi project.

the idea of entrepreneurship where of students and teachers work together.

The examples of the entrepreneur activities

I found out new things about entrepreneurship in schools in Malawi.

how to organize student entrepreneurship at school as a subject

The Malawi Project

Ideas of youth company

Practical examples given

I think it is great to see what you do with your students. For us entrepreneurship is a way

Loved the way the teacher-student relationships seem to work in your country and the way

The practical examples are always useful to learn from and apply with students.

Presenting the Malawi Project and all the benefits and the Youth Code

The whole Malawi project was an interesting and useful experience

It was interesting /but we cannot offer this method at this level / it gives me an idea for school

Project Malawi Ub

The part where you presented practical examples

Malawi Project was very interesting. We could get some ideas from all presentation in our

all

Getting to know the project.

Presentation of the project because I didn't know his way of Erasmus and projects.

Project Malawi UB

Project Malawi

practical examples

The internet cafe part was very useful to us, as well as the fundraising topic.

The whole topic
The whole Malawi project was an interesting and useful experience
The internet cafe part was very useful to us
I like very much the Malawi Project and arts included
The operational part of entrepreneur theories applied with engaged young students and
The presentation of the project.
the Malawi Project
The presented models for activities were presented good and I think I will use some of tl

Do you have any other feedback for the Norwegian team aft

.....
Congratulations for all the activities!
Thank you for the information
it sounds really great and inspiring what you do, very interesting!!
was very useful for me
No
No. Good job
Thank you so much for the presentation. It is amassing what you do with your students.
Awesome job!
Congratulations!
Congratulations! Keep continuing this kind of projects involving students and preparing
Everything was fine
it is nice to see what you achieve / and how much pleasure you can expect from it
Congratulations!
Everything was great.
Congrats and Merry Christmas!
Thank you for all
No
Congratulations and thank you!
Congratulations
Congratulations
a little bit more interactivity between participants
Congratulations, very well done!
Great work
Everything was fine
Congratulations!
Good work
Goodwork. See you later.
Congratulations!
Everything was perfect.

or you - and why.

ay you give your students the chance to make a change in society. We could all learn something from i

chool, as a school project. and that we can use our "proceeds", however small, for a social theme. With

ter this webinar?

in the home country = 4th world. (of which our students participate a lot)
