 **POLITÉCNICO  
DE SANTARÉM**

 **cctig**  
E.S.E. de Santarém

## Name + Country + teaching level

**A secret about me...**

**Digital Citizenship I know what is .... | I don't know what is...**

**A quality starting with the first letter of my name**

**After this activity I liked that....**

**Two truths and one lie about me...**

**No matter what resources we have**

**If we don't know how to use them, will never be enough**

# Digital Citizenship - Risks and Challenges

- Challenges of Internet (professional and personal)
- Risks:
  - Equipment and people safety
  - Accuracy of information and copyrights
  - Online behaviors
  - Cyberbullying
- Curriculum integration (guidelines)

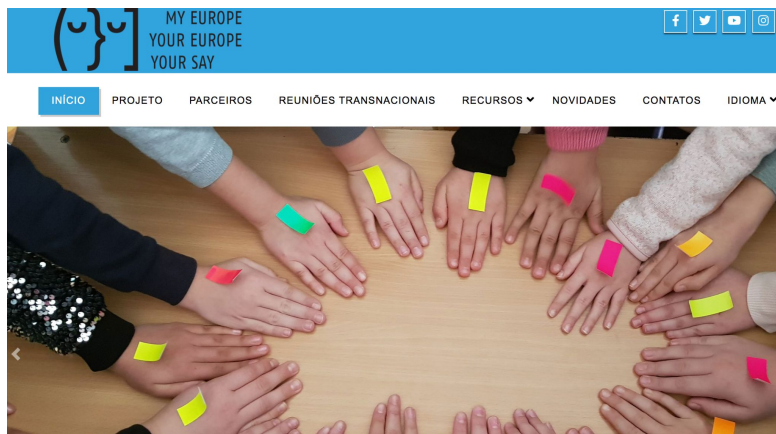

# Practical activity - integration

- Human Body representation - talents of each element of the group - 30m (6 sheets + colored pens per group)
- 5m activity analysis
- Collaborative construction (team work) the same group will take on the construction challenge. (plasticine and toothpicks for each group) 10m
- Analysis of activities 5m
