

NO MORE  
PLASTIC!

THE WORLD IS  
FANTASTIC!

## Our job

We  
must  
make  
protests

We must  
demonstrate  
the  
correct  
behavior

We  
must be  
the  
change

We must  
create  
posters to  
convey our  
message

*Don't throw plastics  
away, recycle them.  
After that,*

**BE THE  
CHANGE  
YOU WANT  
TO SEE IN  
THE WORLD**
